

DR. ANIKET PAYAGUDE

Consultant - Surgical Gastroenterology

Qualification

MBBS | MS | M.Ch Surgical Gastroenterology | FMAS

Overview

Dr. Aniket Payagude is a highly skilled surgical gastroenterologist based at Manipal Hospital, Baner, Pune, specializing in advanced gastrointestinal and hepatopancreatobiliary (HPB) surgeries. With over 14 years of professional experience since completing his MBBS in 2011, Dr. Payagude has dedicated his career to treating complex digestive system diseases, including cancers of the liver, pancreas, bile ducts, and gastrointestinal tract. He earned his MS in general surgery in 2017, followed by a specialized MCh in surgical gastroenterology from The Tamil Nadu Dr. M.G.R. Medical University in 2022. Additionally, Dr. Payagude holds fellowships in Minimal Access Surgery (FMAS) and Hepato-pancreato-biliary surgery (IHPBA-India), highlighting his expertise in cutting-edge laparoscopic and minimally invasive surgical techniques. Dr. Payagude offers comprehensive care for gastrointestinal cancers, colorectal diseases, pancreatic disorders, hernia repairs, and proctology conditions such as fistulas and hemorrhoids. His proficiency in laparoscopic surgery ensures patients benefit from quicker recovery and minimized surgical risks. Dr. Payagude has been recognized for his clinical and research excellence, having won first prize at WORLDCON 2017 for his poster presentation. He is a life member of the Association of Surgeons of India (ASI) and the Association of Minimal Access Surgeons of India (AMASI), reflecting his commitment to continuous learning and professional development. He remains committed to adopting innovative surgical techniques to improve outcomes and enhance patient well-being.
