

DR. JITENDRA NATH PATNAIK

Senior Consultant - Cardiothoracic Vascular Surgery

Qualification

MBBS | MS (General Surgery) | M.Ch. (Cardio Vascular & Thoracic Surgery)

Overview

Dr. Jitendra Nath Patnaik is a renowned Cardiothoracic Vascular surgeon in the Department of Cardiothoracic Surgery at Manipal Hospitals, Bhubaneswar, Odisha, with 22 years of dedicated experience in the field. Dr. Patnaik studied at one of the oldest schools in Odisha, where he completed his MBBS degree from S.C.B. Medical College, and an MS in General Surgery from V.S.S. Medical College, Burla, followed by an MCh in Cardiovascular and Thoracic Surgery from PGIMER, Chandigarh. In these two decades, he has worked with some of India's eminent surgeons in the top medical institutes and hospitals, establishing himself as a specialist in the field of cardiology. As a senior consultant, Dr. Patnaik specialises in performing a wide range of cardiac surgeries including Coronary Artery Bypass Graft Surgery (CABG), Ventricular Remodelling Surgery, Valvular Heart Surgery, Arrhythmia Surgery, Aortic Aneurysm, Vascular and Thoracic Surgeries with precision. Dr. Patnaik is also proficient in all types of valve replacements and repairs including Aortic Valve Replacement - Mechanical Valve, Aortic Valve Replacement - Tissue Valve, Balloon Valvuloplasty, and Mitral Valve Replacement. With an unyielding commitment to delivering the finest treatment to his patients, he specialises in conducting pediatric invasive cardiac surgeries, procedures for intracardiac tumours, and Radiofrequency Ablation (RFA) procedures for varicose veins. Furthermore, during his decades-long career, Dr. Patnaik has successfully conducted over 1500 cardiac surgeries and has made notable achievements in high-risk cases. With an outstanding survival rate of 99%, he has effectively performed heart surgeries on patients dealing with severe left ventricular failure, and high-risk valve replacements, and has also achieved remarkable success in Off-pump Bypass Surgeries. He has also received various prestigious awards since his school years and has various publications under his name. Dr. Patnaik's unending care and expertise in successfully conducting high-risk surgeries indicate his commitment to providing efficient treatment and care for his patients.
