Add bed Category with respective to the unit

1. The Admission & Billing Section functions 24 hours.
2. Allotment of beds in respect of advance booking will be subject to availability of beds.
3. Patients will be discharged once he / she is medically stable. No unwarranted extension of stay will be permitted. Patients requiring will be shifted to Rehab Ward (irrespective of the category of admission).
4. Bed charges will be calculated as per 24 hours cycle from the time of admission.
5. Rates for Lab & Blood bank services, Radio-Diagnosis & Imaging, Professional Fees, Surgeries / Procedures, Theatre Charges etc. will vary as per the category of bed chosen.
6. If a patient prefers to shift from a Lower ward to a Higher Ward, all the charges will be of Higher Ward with retrospective effect (i.e. from the time of admission except ICU stay). If the patient prefers to shift from the higher ward to the Lower Ward, the charges for the services rendered in the Higher Ward will remain at the Higher Ward rates & than lower ward charges will be applicable from the time the patient is shifted.
7. If patient prefers to shift from lower ward to higher ward within 72 hours of surgery, then surgery or package charge will be of higher ward tariff.
8. Maternity / Delivery charges are charged as per the ward the patient gets shifted.
9. If the same surgeon is performing more than one surgery in a patient in a single sitting, the highest tariff surgery will be the first surgery and the OT charges, and the anaesthesia fee will be linked to this surgery. 2nd surgery will be charged at 50% of prescribed tariff and 3rd surgery to be charged 25% of prescribed tariff.
10. If two surgeons of different departments are operating and doing two different surgeries, then OT charges and anaesthesia fees will be linked to both the surgery tariff.
11. During the course of the patients stay in the Hospital, provisional bills will be sent to the patient in order to make further payments. On receiving the provisional bill, the patient will have to clear the amount on the date mentioned on the provisional bill. In case the patient does not receive a provisional bill, please contact the Billing section.
12. At the time of discharge, a final bill is made by the Billing section. The final bill is made only after all the discharge formalities are completed. You may find significant differences in the final bill and the provisional bill. This is due to the fact that certain charges will be levied and shown in the final bill only.
13. There will be a time lag between your consultant informing you about your discharge and the Billing section producing the bill.
14. Direct admission to ICU will be billed at ICU rates.
15. Extra diet and Telephone calls will be charged separately.
16. Only Demand Draft / Credit Card / Cash are accepted towards Hospital Bills. **Refunds above Rs. 10,000/- will be refunded by bank transfer only after 3 - 4 working days.**
17. **Patients are requested to retain all receipts of deposit / advances made. Original receipt will have to be produced for collecting refunds.**
18. One visitor pass will be issued to a patient free of cost and will be allowed to visit in prescribed visiting hours
19. No extra pass will be issued unless authenticated. Patients who have lost their passes should contact Admission Department for assistance. All passes have to be surrendered to Billing section at the time of discharge.
20. Management extends the rights of one attendant to stay along with the patient in Semi-Private, Private, Deluxe and Suit wards. In case, the patient is in General Ward or HDU or ICU, the attendant can seat in the lobby area in the hospital and visit the patient only in the visiting hours.
21. Night Lobby passes are issued for Inpatient (Critical Care bed only)
22. Deposit amount, Hospital charges and the above rules are always subject to changes as decided from time to time.

MANAGEMENT RESERVES THE RIGHT OF CHANGING THE ABOVE FROM TIME TO TIME
