

DR. ANINDYA SARKAR

Consultant - Cardiology

Qualification

MBBS | MD (General Medicine) | DM (Cardiology)

Overview

Dr. Anindya Sarkar is a distinguished senior consultant in the Department of Cardiology at Manipal Hospitals Broadway, Kolkata, with 11 years of extensive experience. His academic journey includes an MBBS from West Bengal University of Health Sciences, an MD in General Medicine, and a DM in Cardiology, both from West Bengal University of Health Sciences. Dr. Sarkar's profound knowledge and skills as an interventional cardiologist are reflected in his successful management of complex cardiac conditions. Dr. Sarkar specialises in Coronary Artery Disease, Heart Failure Medical & Device Therapy, Cardiac Conduction Disorders, and Structural Heart Diseases. He is adept in employing advanced interventional techniques for the treatment of cardiovascular diseases. His dedication to patient care is evident through his meticulous approach to cardiac interventions, ensuring the highest standard of care for his patients. In addition to his clinical practice, Dr. Sarkar is an active member of several prestigious medical organisations, including the Association of Physicians of India (API), the Cardiological Society of India (CSI), the American College of Cardiology (ACC), and the European Society of Cardiology (ESC). His contributions to the medical field have been recognised with awards such as the Best Thesis Award at MD Medicine. Dr. Sarkar is also committed to academic excellence and has contributed significantly to medical literature through talks and publications. His research on heart failure, valvular heart disease, tropical infections of the heart, and coronary artery disease has been published in reputable journals, underscoring his dedication to advancing cardiology knowledge. Fluent in English, Bengali, and Hindi, Dr. Sarkar ensures effective communication with his patients, fostering trust and understanding in all interactions. His unwavering dedication to patient care, clinical expertise, and commitment to academic excellence make Dr. Sarkar a leading specialist in the field of cardiology.

Fellowship & Membership

- Association of Physicians of India (API)
- Cardiological Society of India (CSI)
- American College of Cardiology (ACC)
- European Society of Cardiology (ESC)

Field of Expertise

- Specialising in the comprehensive management of Coronary Artery Disease (CAD), employing advanced diagnostic modalities and therapeutic interventions to ensure optimal patient outcomes.
- Expertise in Heart Failure management encompassing both medical therapies and device interventions, dedicated to enhancing quality of life and prolonging survival in affected individuals.
- Proficient in addressing Cardiac Conduction Disorders through precise diagnosis and targeted treatment strategies, utilising cutting-edge technologies and electrophysiological interventions.

- Skilled in the evaluation and management of Structural Heart Diseases, employing innovative interventional techniques such as transcatheter therapies and surgical repair for complex conditions.
- Experienced in Advanced Interventional Techniques including catheter-based procedures and minimally invasive surgeries, aimed at providing effective solutions for a wide spectrum of cardiovascular disorders.
