### Overview

Dr. Seabrata Jana is a highly skilled and dedicated cardiologist associated with Manipal Hospital Broadway, Kolkata, where he has been providing exceptional healthcare for over a decade. With an impressive 10 years of experience in the field of cardiology, Dr. Jana has built a reputation as one of the most trusted experts in the region. His expertise spans a wide range of complex heart conditions, and he has worked in numerous prestigious hospitals across India, gaining valuable experience in diverse medical settings. Dr. Jana's clinical skills are complemented by his deep understanding of cardiology, which allows him to offer innovative and comprehensive care to his patients. He is the Best Cardiologist in Broadway, Kolkata. Dr. Jana specializes in interventional cardiology, with a particular focus on coronary angioplasty and coronary angiograms—two critical procedures in diagnosing and treating heart disease. He is known for his precision and attention to detail when performing these complex interventions, ensuring that each patient receives the best possible care. His commitment to accurate diagnosis and empathetic treatment has made him a well-respected figure among his peers and patients alike. His approach is patient-centered, taking into account not just the medical aspects but also the emotional and psychological well-being of his patients. Dr. Jana's ability to combine advanced medical techniques with compassionate care has earned him trust and admiration in the cardiology community. After completing his MBBS and an MD in General Medicine, Dr. Jana pursued a DM in Cardiology, further enhancing his expertise in the field. His academic background and clinical experience have positioned him as a thought leader in cardiology, and he has contributed significantly to medical research. Dr. Jana has participated in various workshops and conferences, staying updated on the latest advancements in cardiology. His contributions to the field also include numerous research papers published in reputable medical journals, making him a recognized name in academic and clinical cardiology. In addition to his role as a clinician, Dr. Jana is an active advocate for heart health awareness, often engaging in community outreach programs and initiatives aimed at preventing heart disease. As a specialist in interventional cardiology, Dr. Seabrata Jana continues to be at the forefront of cardiovascular care, combining advanced medical procedures with a compassionate, patient-first approach. His expertise in coronary angioplasty and coronary angiograms, along with his deep commitment to enhancing the lives of his patients, make him an invaluable asset to the field of cardiology. With his experience, dedication, and ongoing contributions to research and medical education, Dr. Jana remains a trusted name in cardiology, providing exceptional care and improving the quality of life for countless patients.
