

DR. ARUN KARMAKAR

Consultant - Medical Gastroenterology

Qualification

MBBS | MD | DrNB (Gastroenterology)

Overview

Dr. Arun Karmakar is a highly skilled and compassionate Consultant in Gastroenterology, currently practising at Manipal Hospital, Broadway, Kolkata. With a strong academic background and a commitment to excellence in patient care, he is recognized for his expertise in diagnosing and managing a wide range of gastrointestinal, liver, and pancreatic diseases. Dr. Karmakar completed his MBBS and MD in General Medicine from the Regional Institute of Medical Sciences (RIMS), Imphal, Manipur. He further specialized by earning a Doctorate of National Board (DrNB) in Gastroenterology from the National Board of Examinations (NBE), New Delhi. He has consistently demonstrated academic brilliance, ranking first in the Tripura state board during his school years and securing fourth position in his MD examinations under Manipur University. He began his clinical journey as a Senior Resident at AIIMS Bhubaneswar in the Department of General Medicine and has since evolved into a proficient gastroenterologist at Manipal Hospital Broadway. His procedural competencies include gastroscopy, colonoscopy, ERCP, endoscopic ultrasound, polypectomy, EMR & ESD, capsule endoscopy, and advanced motility studies like manometry and pH impedance testing. His clinical interests cover a broad range of conditions, including fatty liver disease, cirrhosis, viral hepatitis, ulcerative colitis, Crohn's disease, GERD, irritable bowel syndrome, choledocholithiasis, and bile duct malignancies. Dr. Karmakar is also actively engaged in academic research and has contributed to multiple publications in peer-reviewed medical journals. He has presented at reputed national conferences such as ISGCON and INASL, and is a life member of the Indian Society of Gastroenterology. Fluent in Bengali, Hindi, English, and Odia, Dr. Karmakar ensures a warm and inclusive communication style that resonates well with his diverse patient population.
