

DR. KEERTHI S

Consultant - Paediatrics

Qualification

MBBS | MD

Overview

Dr. Keerthi S is a highly esteemed paediatrician in Bangalore, currently practising as a Consultant - Paediatrics at Manipal Clinics, Budigere. With her expertise in general paediatrics, paediatric medicine, dengue fever, and asthma care, she is dedicated to providing comprehensive healthcare services for children. Dr. Keerthi has over 8 years of experience in the field and established herself as a prominent figure in paediatric healthcare. She started her medical journey with an MBBS, which was followed by an MD in Paediatrics from Vydehi Institute of Medical Sciences and Research Centre, Bangalore, further enhancing her skills and knowledge. Moreover, Dr. Keerthi is a proud member of the Indian Academy of Pediatrics and is registered with the Karnataka Medical Council. She is one of the Best Paediatricians in Budigere Cross, Bangalore. The expertise of Dr. Keerthi S goes beyond general paediatrics, offering a wide range of services aimed at promoting the health and well-being of children. These include growth and development evaluation and management, newborn jaundice care, childhood infection treatment, nutrition assessment, and immunisation. She specialises in addressing common paediatric conditions and illnesses with compassion to make her little patients feel at ease. Committed to delivering excellent healthcare for children, Dr. Keerthi emphasises the importance of early intervention and comprehensive care. Her approach involves conducting thorough diagnostic tests to understand each patient's medical condition fully. She then administers appropriate therapies, medications, and vaccinations to treat illnesses, disorders, and injuries effectively. Her publication on cutaneous lesions in newborn babies has been a great asset to the medical community. Beyond her medical expertise, Dr. Keerthi recognises the significance of building strong relationships with families. She understands that paediatric care involves not only treating children but also supporting and educating their families. Besides being multilingual, she can fluently speak English, Telugu, Tamil, Kannada, and Hindi, ensuring easy and effective communication with a diverse patient populace. Dr. Keerthi's dedication to paediatric healthcare, coupled with her extensive experience and compassionate approach, makes her a trusted paediatrician in Bangalore and beyond. Her commitment to providing high-quality care for children and families underscores her status as a leading figure in paediatric medicine.
