

DR. MOHAMMED SHAHID ALI

Consultant - Uro-Oncology Robotic Surgery And Renal Transplantation

Qualification

MBBS | MS - Surgery | DNB Doctorate in National Board - Urology | Vatikutti Fellowship in Advanced Robotic Urology

Overview

Dr. Mohammed Shahid Ali is a widely respected Urologist and Robotic Surgeon in Bangalore. As a Consultant - Uro-Oncology Robotic Surgery and Renal Transplantation at Manipal Clinic Indiranagar, Dr. Ali manages a wide range of urological issues involving the kidneys, bladder, and urinary tract as well as cancers of these organs, with a focus on a minimally invasive approach whenever possible. He excels in performing endoscopic, laparoscopic, and robotic urological procedures like Laser TURP, RIRS, Kidney Transplants, Nephrectomy, Partial nephrectomy, Urethral Reconstruction, Prostatectomy, Fistula Repair, Mini PCNL, Pyeloplasty, Ureteric Re-implantation, as well as Robotic Uro-oncology procedures. He is the Best Urologist in Old Airport Road. With an impressive academic background, Dr. Mohammed Shahid Ali's medical journey began with an MBBS, followed by an MS in Surgery, and a DNB (Doctorate in National Board) - Urology. He is also a Vatikutti Henry Ford fellow in Robotic Urology, Uro Oncology, and Renal Transplantation. His interest in robotic surgery has given him an edge in the field of ever-evolving healthcare, showcasing his dedication to improving patient care in the realm of urological care. Dr. Mohammed Shahid Ali's active involvement in research underscores his commitment to advancing urological care and surgical techniques. He is involved in the urology community and holds memberships in prestigious organisations, including the Urological Society of India, South Zone USI, Karnataka Urology Association, and Bangalore and Mysore Urology Associations. He is an active speaker at conferences and health sessions, providing invaluable insights on urological care. Dr. Ali's video demonstration of 'Robotic-assisted right radical nephrectomy with IVC thrombectomy' won the NU Trust Best Video award at KUACON 2022. Dr. Ali also earned a runner-up place in the surgical quiz, conducted by the Surgical Society of Bangalore. His talks and articles on topics such as 'Comprehensive Insights on Kidney Care from the Manipal Health Symposium' and 'Penis can break while making a relationship, know from experts the cause, symptoms and treatment of penile fracture' are featured in various newspapers. For his contribution to the world of healthcare, especially urology, Dr. Mohammed Shahid Ali is regarded as one of the best urologists and uro-oncologists in Bangalore.

Fellowship & Membership

- Vatikutti Henry Ford fellow in Robotic urology, Uro oncology, and Renal transplantation.
- Member of the Urological Society of INDIA.
- Member of South Zone USI.
- Member of Karnataka Urology Association.
- Member of Bangalore and Mysore Urology Associations.

Field of Expertise

- Endoscopic surgeries - Laser TURP, RIRS, mini supine PCNL
- Laparoscopic and minimally invasive urology surgeries - pyeloplasty, ureteric re-implantation, Nephrectomy,

- and partial nephrectomy
- Robotic uro-oncology procedures
- Robotic radical prostatectomy
- Radical cystectomy
- Partial nephrectomy
- Robotic reconstructive procedures - ureteroplasties, pyeloplasty, sacro colpopexy, VVF repairs
- Renal transplantation including laparoscopic donor nephrectomies
- Urethral reconstruction - buccal mucosal and penile skin flap arthroplasties, fistula repairs
