

DR. VISWANATH S

Senior Consultant - General And Laparoscopic Surgery

Qualification

MBBS | MS (General Surgery) | FMAS | FALS

Overview

Dr. Vishwanath S is a well-known Nephrology consultant, and Transplant physician associated with Manipal Clinic Sarjapur, Bengaluru. He is currently also serving as the HOD. With over 28 years of experience, he is known for being highly professional and a skilled consultant. He began his journey with a degree in MBBS and went on to gain accolades in further pursuits. With degrees in Paediatrics (DNB), Nephrology (DNB), and MNAMS, he has carved a niche for himself in the field of Nephrology. He handles patients with renal problems and those in need of dialysis- including hemodialysis. He also manages the active transplant program. Dr. Vishwanath has a particular interest in Clinical Nephrology, multisystem problems, and Paediatric Nephrology. Dr. Vishwanath has had a golden track record with many achievements throughout his career. He won the Dr. HL Trivedi Gold Medal in DNB Nephrology, from the National Board of Examinations for topping the all-India DNB Nephrology Examination. While pursuing an undergraduate degree in MBBS, he secured a Gold medal from Mysore University. He was also awarded Best Poster Paper at the National Paediatrics Conference, Cochin. He was also awarded Best Paper at the National Indian Society of Organ Transplantation Meet at Jaipur. Due to his capabilities, he is considered one of the best nephrologists in Sarjapur Road, Bangalore. Dr. Vishwanath S is an active member of the Indian Academy of Medical Sciences, the Indian Society of Nephrology, and the Indian Society of Transplantation. He is also a lifetime member of the Indian Academy of Paediatrics. Dr. Vishwanath S has made an outstanding contribution to the field of literature, with several publications to his credit, published in both National and International journals. He has also written some textbook chapters. He has contributed articles for various websites, especially during the COVID crisis, including one for the Times of India. The hallmark of a skilled medical professional is the reviews they receive from the patients and Dr. Vishwanath S has a very positive standing amongst his patient community. He is known to be very empathetic with the patients, providing prompt treatment and remedies. He discusses the health conditions with the patients thoroughly and effectively, alleviating the anxieties of those under his care. Dr. Vishwanath S is well-versed in many languages including English, Hindi, Tamil, Telugu, and Kannada which helps ensure prompt and smooth communication between the doctor and the patients. His skill and manner of handling the patients with care have put many minds at ease and enabled the patients to return to their regular life post-treatment.
