

DR. VIKAS JAIN

HOD & Consultant - Urology

Qualification

DNB (Urology) | MNAMS | MS (General Surgery) | FACS (USA) | MBBS | Diploma in Renal Transplantation Science (Liverpool, UK)

Overview

Dr. Vikas Jain, the best urology doctor in Delhi is a highly reputed and experienced Urologist, Robotic Surgeon and Renal Transplant Surgeon in Delhi. He has more than 17 years of experience and has completed 1150 successful kidney transplants. Dr. Vikas has mentored and supervised transplant programs in 26 hospitals across 8 different states. He is also the Founder-member of the Renal Transplant Subspeciality of the Urological Society of India (USI). Dr. Vikas completed his MBBS from Manipal Academy of Higher Education (MAHE) in 2000, MS (Gen. Surg.) in 2004, DNB (Urology) from Muljibhai Patel Urological Hospital Nadiad in 2009, and Diploma in Renal Transplantation Science from University of Liverpool, UK in 2019. He holds surgical expertise in performing robotic surgeries, renal transplants, endo-urology procedures, reconstructive surgeries, Open and Laparoscopic Uro-oncology procedures, Laparoscopic Urology surgeries and Pediatric urology procedures. For his exceptional academic background and extensive experience in the field, Dr. Vikas Jain is widely acknowledged for his competency and provision of outstanding patient care on a national scale. He has been associated with various reputed Hospitals and organisations in the past and has been recognised for his exceptional dedication to the field of urology during his career. Dr. Vikas believes in having effective communication with the patients so that he can create a personalised treatment plan that focuses on holistic and faster healing. He educates and counsels the patients about every aspect of the treatment. The positive feedback that Dr. Vikas receives from his patients is a testament to the good work he is doing and the optimum care he is offering. In addition to the excellent services that he provides, Dr. Vikas also participates in national and international events that talk about the advancements in the field of Urology.

Fellowship & Membership

- International Member: American Urological Association (00770568).
- Corresponding Member: European Association of Urology (EAU 84814).
- Full Member: Urological Society of India (J 087).
- Member: North Zone Chapter of USI/ Delhi Urological Society.
- Member: Indian Society of Organ Transplantation (LM 687).
- Member: American Society of Transplant.
- Member: Société Internationale d'Urologie.

Field of Expertise

- Robotic Surgery: Complete spectrum of robotic surgeries for urological diseases like Robotic Radical Prostatectomy, robotic partial nephrectomy etc.
- Renal Transplant: Laparoscopic donor nephrectomy, recipient surgery, vascular access for hemodialysis, laparoscopic/open CAPD catheter insertion
- Endo-urology: PCNL/mini perc, ureteroscopy, flexible ureteroscopy (FURS), TURP/HoLEP, TURBT and OIU (including laser urological surgeries)
- Reconstructive surgery: urethroplasty (anastomotic and substitution)
- Open and Laparoscopic Uro-oncology: Laparoscopic radical nephrectomy/partial nephrectomy, radical prostatectomy, cystectomy and neobladder/ileal conduit formation
- Laparoscopic Urology: both ablative and reconstructive (pyeloplasty/re-implants)
- Pediatric urology: VUR surgeries, hypospadias repairs, pyeloplasty (open/laparoscopic), pediatric endo-urology

Awards & Achievements

- First in Biochemistry at the First MBBS university exam held in Feb-March 1996.
- Recipient of award endowed by the All-India Conference of ACBI, Manipal, for securing the highest marks in Biochemistry in Feb-March 1996.
- Surgical Society of Mysore, PG Best Paper Award for the paper entitled- Postnatal management and outcome of antenatal hydronephrosis due to pelvic-ureteric junction obstruction, presented at 22nd Annual Conference of KSC-ASICON at Bangalore in Feb. 2004.
- 2nd Best Paper Award in its category for a Video presentation titled "Laparoscopic pyeloplasty: How we do it! at the 18th West Zone USICON held at Sholapur, Maharashtra, between 13th and 16th November 2008.
- Recipient of USI-EAU Travelling Fellowship to attend European Urology Resident Education Program (EUREP)-2009 at Prague between 28th Aug & 2nd Sep 2009.
- Won the First Prize in MCQ examination conducted at the USI-AUA Instructional Course- Mock examination and Annual Review Course conducted jointly by USI and AUA Mumbai on 28th and 30th September 2009.
- Prof CKP Menon Best Paper Award: Tadalafil monotherapy is as efficacious as Tamsulosin in patients with LUTS secondary to BPH: results of the first head-on comparative, prospective, randomized study to evaluate the efficacy of Tadalafil and Tamsulosin, in patients with LUTS secondary to benign prostatic hyperplasia at the USICON 2010.
- 2nd Prize Vijayawada Prize Poster category: Donor gonadal vein reconstruction for extension of the transected renal vessels in living renal transplantation at the USICON 2010.
- First Indian to have been awarded the scholarship by the European Association of Urology (EUSP), to visit Fundacio Puigvert, Barcelona, Spain for a "Short-Term-Visit".
- DUSCON Achiever's Award for the year 2015, by Delhi Urology Society. This award was given on 20th November 2015 at the Annual DUSCON Meet held at PGIMER and Dr RML Hospital, New Delhi.
- Scholarship from the European Foundation of Urology (EFU) to participate in Semi-Live 2017, organized by the Department of Urology of the University Hospital of Heidelberg (Germany) between 16th and 18th February 2017.
- Times Healthcare Achiever 2018 (Delhi/NCR) in the Rising Star category for Kidney Transplant. The award was given at Hotel Taj Palace (Delhi) on 25th November 2018.
- DUSCON Achiever's Award for the year 2018, by Delhi Urology Society. This award was given on 25th December 2018 at the 15th Annual DUSCON Meet held at India Habitat Center, New Delhi.
- First Indian to complete "Diploma in Renal Transplantation Science" from the University of Liverpool, UK.
- MIUC International Travelling Fellowship for the year 2019 was received at the Annual Conference of the

Urological Society of India (USI) at Kochi on 23rd January 2020.

- Certificate of Recognition by MPUH (Nadiad), as one of the best alumni of this institute for contribution to the field of renal transplantation. The award was given at an alumni meet during Semi-Live at Goa in March 2020.

- The 50th Annual Conference of USI (USICON 2017) was held in Mumbai, between the 18th and 21st of January 2017.
- Poster presentation: Genitourinary gossypiboma revisited: three different presentations and their management in the present era of minimally invasive urology.
- Vijayawada Prize Poster: Non-heart beating donation (NHBD) in India: problems faced while successfully materializing a case! 34th World Congress of Endourology and SWL held at Capetown, between 8th & 12th November 2016.
- Poster presentation: Ureteroscopic management of calculus disease in patients with "uncorrected coagulopathy" in chronic liver disease (CLD): myths and facts.
- Poster presentation: Genitourinary gossypiboma revisited: three different presentations and their management in the present era of minimally invasive urology 49th Annual Conference of USI (USICON 2016) held at Hyderabad, between 7th and 10th Jan 2016.
- Podium Presentation: In-situ anastomosis of multiple graft arteries to the branches of internal iliac artery: an underutilized" technique to address multiple renal arteries in live donor kidney transplantation.
- Vijayawada Prize Poster: En-bloc (Dual) kidney transplant from a 16-month-old brain donor to an adult recipient: A case report and literature review.
- 33rd World Congress of Endourology and SWL held in London, between 1st & 4th October 2015.
- Poster Presentation: Hepatic-coagulopathy: do we need to correct it before urological interventions? Experience from Apex Hepatobiliary Referral Institute.
- 48th Annual Conference of USI (USICON 2015) held at Ranchi, between 5th & 8th Feb '15.
- Podium Presentation: Percutaneous Nephroscopic Pancreatic Necrosectomy: A urologist's gift to pancreatic surgeon.
- 47th Annual Conference of USI (USICON 2014) held at New Delhi, between 30th Jan & 2nd Feb '14.
- Podium Presentation: Urological Interventions in patients with chronic liver disease with "uncorrected" Coagulopathy: lessons learned.
- 46th Annual Conference of USI (USICON 2013) held at Pune, between 16th & 20th Jan'13.
- Chandigarh Best Video Category: Vascular mishaps during laparoscopic urological surgeries: they do happen and can be managed laparoscopically.
- 2012 Annual Meeting of American Urological Association in Atlanta, GA between 19th and 23rd May, 2012.
- 45th Annual Conference of USI (USICON 2012) held at Bangalore, between 5th & 8th Jan'12.
- Vijayawada Prize poster: all that glitters is not gold.....fallacies of PET/CT in the management of urological cancers.
- 44th Annual Conference of USI (USICON 2011) held at Kolkata, between 21st & 24th Feb'11.
- Chandigarh Best Video Category: Laparoscopic Kidney Transplantation.
- 20th North Zone USICON held at Gurgaon, between 12th and 14th November 2010.
- Video presentation: Transurethral resection/enucleation using Ho: YAG laser in case of advanced carcinoma prostate with bladder outlet obstruction.
- 43rd Annual Conference of USI (USICON 2010) held at Agra, between 3rd and 7th Feb 2010.
- Prof CKP Menon Best Paper: Tadalafil monotherapy is as efficacious as Tamsulosin in patients with LUTS secondary to BPH: results of the first head-on comparative, prospective, randomized study to evaluate the efficacy of Tadalafil and Tamsulosin, in patients with LUTS secondary to benign prostatic hyperplasia.
- Vijayawada Prize Poster: Endourological management of calyceal diverticula and calculi.
- Vijayawada Prize Poster: Donor gonadal vein reconstruction for extension of the transected renal vessels in

living renal transplantation.

- 26th World Congress of Endourology and SWL held in China, Shanghai between 30th November and 3rd December 2008.
- Moderated poster: Retrograde intrarenal surgery (RIRS) for extracorporeal shock-wave lithotripsy-residual renal stones.
- Video presentation: Video demonstration of ante-grade manipulation incorporated with flexible ureteroscopy (combined approach) for removal of calculi in re-implanted ureters.
- 18th West Zone USICON held at Solapur, Maharashtra, between 13th and 16th November 2008.
- Video presentation: Laparoscopic pyeloplasty: How we do it!
- Video presentation: Video demonstration of ante-grade manipulation incorporated with flexible ureteroscopy (combined approach) for removal of calculi in re-implanted ureters.
- 9th ACU 2009 held at New Delhi, between 2nd and 5th October 2008.
- Moderated Poster: Clinical experience with Laparoscopic Radical Cystectomy: an “emerging” reference standard for muscle-invasive bladder cancer.
- Moderated Poster: Retrograde intrarenal surgery (RIRS) for extracorporeal shock-wave lithotripsy-residual renal stones.
- 25th World Congress of Endourology and SWL held at Cancun, Mexico between 30th October and 3rd November 2007.
- Video presentation: Laparoscopic pyeloplasty: How we do it!
- Moderated poster: Management of non-malignant hemorrhagic urological emergencies by transarterial embolization.
- 41st Annual Conference of USI (USICON 2008) held at Chennai, between 17th and 20th Jan 2008.
- Moderated poster: Ureteric strictures in genitourinary tuberculosis: a single center experience.
