

DR. KAUSHAL KEJRIWAL

Consultant-Minimal Access Bariatric GI and Robotic Surgery

Qualification

MBBS | MS

Overview

Dr. Kaushal Kejriwal, the best bariatric surgeon in India, also is a highly skilled and experienced consultant in the field of Minimal Access, Bariatric, GI, and Robotic Surgery. He completed his Bachelor of Medicine, and Bachelor of Surgery (MBBS) degree from Assam Medical College in 1997. Following his graduation, Dr. Kejriwal pursued further specialisation in General and Laparoscopic Surgery, obtaining his Master of Surgery (MS) degree from the same institution in 2004. Throughout his educational journey, Dr. Kejriwal gained comprehensive knowledge and practical skills in various aspects of medical and surgical practice. His training at Assam Medical College provided him with a strong foundation in medical sciences and patient care. He further enhanced his expertise by acquiring the Fellowship of the Indian Association of Gastrointestinal Endosurgeons (FIAGES). Dr. Kejriwal has also been trained in Minimal Access Proctology at the Institute of Medical and Minimal Access Surgery Training in Mumbai. His extensive training and dedication to his field have equipped him with the skills necessary to manage complex medical cases and perform advanced surgical procedures. During his career, Dr. Kejriwal completed a senior residency at Deen Dayal Hospital in New Delhi, where he gained valuable experience in managing complex medical cases, performing procedures, and working as part of a multidisciplinary team. He has also worked as a consultant surgeon at several prestigious hospitals, including Artemis Hospital Gurugram, BLK Hospital, Rockland Hospital, Ayushman Hospital, and Bhagat Chandra Hospital in New Delhi. These experiences have allowed him to perform a wide range of surgical procedures and provide high-quality care to his patients. Dr. Kejriwal joined Manipal Hospitals, Dwarka, as a Consultant in the Department of Minimal Access, GI Surgery, Bariatric, and Robotic Surgery. His diverse set of skills and experiences, gained from working in different hospitals, have enabled him to cater to a wide range of patients with varying medical needs. Dr. Kejriwal is dedicated to providing compassionate and comprehensive care to all his patients and strives to deliver the best possible outcomes for each individual. Dr. Kejriwal's field expertise lies in General and Laparoscopic Surgery. He is fluent in Hindi, English, Assamese, and Bangla, which allows him to communicate effectively with a diverse patient population. His commitment to excellence in patient care and his extensive experience in the field make him a valuable asset to the medical community.
