

DR. RAHUL JAIN

Consultant - Minimal Access Surgery & Robotic Surgery

Qualification

MBBS (MAMC) | MS General Surgery (MAMC)

Overview

Dr. Rahul Jain is a distinguished surgeon in Dwarka and South West Delhi, known for his expertise in minimal access and robotic surgery in Delhi. With over a decade of experience, Dr. Jain has performed more than 10,000 surgeries, establishing himself as a leading figure in his field. His proficiency in robotic surgery is particularly noteworthy, having conducted over 150 robotic procedures, including those for gallbladder stones, hernias, and bariatric surgeries. This specialization not only highlights his technical skills but also his commitment to adopting advanced surgical techniques to improve patient outcomes. He is the Best General Surgeon in Delhi. Dr. Jain's academic journey began at the prestigious Maulana Azad Medical College in Delhi, where he completed his MBBS and MS in General Surgery. His dedication to his craft was further honed during his Senior Residency at Lok Nayak Hospital, Delhi. Throughout his career, Dr. Jain has been associated with several esteemed institutions, including his previous role as a Consultant at Aakash Healthcare Superspeciality Hospital. His professional journey is marked by numerous presentations and publications in both national and international journals, reflecting his ongoing contribution to medical research and education. In addition to his clinical practice, Dr. Jain is a passionate educator. As a proctor, he is deeply involved in training the next generation of robotic surgeons, sharing his knowledge and expertise to advance the field. His areas of expertise are extensive, covering robotic surgeries for complex inguinal and ventral hernias, laparoscopic upper GI surgeries, and laser procedures for varicose veins, haemorrhoids, and fistulas. He is also skilled in proctology, breast and thyroid surgeries, and emergency and trauma surgeries, making him a versatile and highly capable surgeon. Dr. Jain's commitment to excellence is further evidenced by his fellowship with the Indian Association of Gastrointestinal Endo surgeons (FIAGES) and memberships in several professional organizations, including the Association of Surgeons of India (ASI), Society of Endoscopic and Laparoscopic Surgeons of India (SELSI), Indian Hernia Society (IHS), Association of Minimal Access Surgeons of India (AMASI), and the Indian Association of Gastrointestinal Endo surgeons (IAGES). Fluent in both English and Hindi, Dr. Jain can effectively communicate with a diverse patient population, ensuring that his patients receive the highest standard of care. His dedication to his patients, combined with his extensive expertise and commitment to medical education, makes Dr. Rahul Jain a highly respected GI surgeon in Delhi and a sought-after surgeon in his field.

Fellowship & Membership
