

DR. ANGSHUMAN GOSWAMI

Senior Consultant – Ophthalmology

Qualification

MBBS | MS (Ophthalmology) | DNB (Ophthalmology) | MNAMS | FICO (Germany)

Overview

Dr. Angshuman Goswami is a distinguished senior consultant specialist in the Department of Ophthalmology at Manipal Hospitals, Dhakuria, Kolkata. With an extensive career spanning 27 years, Dr. Goswami has established himself as a leading figure in the field of Ophthalmology. His educational qualifications include MBBS, MS in Ophthalmology, Diplomate of National Board (DNB), along with a Fellowship in Corneal Diseases from Saarland University, Germany. He is also a Fellow of the International Council of Ophthalmology (FICO). Dr. Goswami's clinical acumen includes advanced cataract surgeries using the Phacoemulsification technique and the Implantation of specialised intraocular lenses (IOLs), such as multifocal and extended depth of focus (EDOF) lenses. His focus on patient-centric care ensures that cataract procedures are performed painlessly under topical (eye-drop) anaesthesia, allowing same-day discharge without injections or bandages. In addition to cataract surgery, he offers specialised care for retinal diseases, refractive surgeries, and laser eye procedures. His thorough approach to diagnosis and treatment planning ensures optimal outcomes for patients across all age groups. With significant academic and clinical contributions, Dr. Goswami has also authored numerous articles in renowned journals like the Indian Journal of Ophthalmology and the Delhi Ophthalmological Society (DOS). He is also an active reviewer for international publications in the field. The ophthalmic community widely recognises Dr. Goswami for his clinical excellence and academic achievements. One of his research papers was nominated for the prestigious Col. Rangachari Award at the 55th Annual AIOS Conference in 1997. He has also received the Best Clinical Case Presentation Award from the Delhi Ophthalmological Society and the Best General Video Film Award from the All India Ophthalmological Society. Beyond his clinical and academic engagements, Dr. Goswami has been instrumental in shaping regional ophthalmic societies, serving as Founder Secretary of the Noida Ophthalmological Society. With a compassionate and ethical approach, Dr. Goswami continues to lead advancements in eye care, upholding the highest standards of medical excellence.
