

DR. IRINA DEY

Consultant - Obstetrics And Gynaecology

Qualification

MBBS | DGO | DNB (OBG)

Overview

Dr. Irina Dey is a highly experienced and proficient consultant in the Obstetrics & Gynaecology Department at Manipal Hospitals, Dhakuria, Kolkata, with over 16 years of dedicated practice. She has completed her MBBS at Jawaharlal Nehru Medical College, followed by a DGO (Diploma in Obstetrics and Gynaecology) and DNB (Diplomate of National Board) in Obstetrics & Gynaecology, both from Jawaharlal Nehru Medical College, AMU, Aligarh. With her extensive background and expertise, Dr. Dey offers comprehensive care to her patients, specialising in managing high-risk pregnancies and performing complex gynaecological surgeries. She is known for her proficiency in conducting normal vaginal deliveries, ensuring safe childbirth experiences for mothers, as well as performing VBAC (Vaginal Birth After Caesarean) and Caesarean Sections when necessary, prioritising the health and well-being of both mother and baby. She is a Good Gynaecologist in Dhakuria, Kolkata. Dr. Dey's expertise extends to various gynaecological surgeries, including Myomectomy, Hysterectomies, and Ovarian Cystectomy Surgeries, which she performs with precision and skill. She also offers Cosmetic and Reconstructive Procedures such as Hymenoplasty and Vaginoplasty, addressing women's reproductive health needs comprehensively. She is the best Gynaecologist in Dhakuria. In addition to her surgical skills, Dr. Dey is dedicated to addressing infertility, adolescent gynaecological problems, and menopausal issues, providing tailored treatment plans to meet the individual needs of her patients. Fluent in English, Bengali, and Hindi, Dr. Dey ensures effective communication with her patients, creating a supportive and comfortable environment for their care. Her vast experience, coupled with her compassionate approach to healthcare, makes her a trusted and valued member of the healthcare team at Manipal Hospitals, Dhakuria, Kolkata.
