

DR. SUBHADIP CHAKRABORTY

Consultant - Internal Medicine

Qualification

MBBS | DNB (General Medicine)

Overview

Dr. Subhadip Chakraborty is a leading consultant specialising in Internal Medicine, with over 7 years of experience in the field. Currently serving in the Department of Internal Medicine at Manipal Hospitals, Dhakuria, Dr. Chakraborty completed his Bachelor of Medicine, Bachelor of Surgery (MBBS), followed by a Diplomate of National Board (DNB) in General Medicine. His academic career has been distinguished by excellence with numerous accolades. Post his education, Dr. Chakraborty has trained in some of the leading medical institutions in India, contributing to his well-rounded expertise in Internal Medicine. Dr. Chakraborty's field of expertise involves catering to patients diagnosed with complex medical problems. He focuses on both acute medical emergencies and the management of chronic diseases, including communicable and non-communicable conditions. Dr. Chakraborty's emphasis on the importance of a multidisciplinary approach allows him to ensure the most accurate diagnosis and provide optimal treatment outcomes. With proficiency in the languages of Hindi, English, and Bengali, he is always at the forefront of maintaining clear communication with his patients, offering personalised care and attention both during treatment and in follow-up care. As the best general physician in Dhakuria, his diagnostic and therapeutic approach prioritises patient safety and satisfaction, ensuring that all decisions are made in the patient's best interests.
