

DR. ANIRBAN BOSE

Senior Consultant - Critical Care Medicine

Qualification

MBBS | DNB | FNB

Overview

Dr. Anirban Bose is a Senior Consultant in the Department of Critical Care at Manipal Hospitals E.M. Bypass, Kolkata, with extensive expertise in Critical care and Anesthesiology. He holds an MBBS degree from the West Bengal University of Health Sciences, India, and advanced qualifications including the DNB in Anaesthesiology (2016) and an FNB in Critical Care Medicine (2019) from the National Board of Examinations, India. His illustrious career spans over a decade, marked by progressive roles in critical care medicine and anesthesiology. Dr. Bose has served in prestigious positions such as Senior Consultant and Consultant at the Medica Institute of Critical Care, Kolkata, and has gained extensive hands-on experience through positions including Junior Consultant, Registrar, and Fellowship roles at Medica Superspecialty Hospital. His notable achievements include presentations at national conferences such as CRITICARE 2019 and 2020, where he shared impactful case reports on extracorporeal membrane oxygenation (ECMO) and other critical care interventions. Additionally, Dr. Bose has co-authored publications in renowned critical care manuals, contributing to the evolving knowledge of high-flow nasal cannula use and non-thrombotic pulmonary embolism. As a life member of the Indian Society of Critical Care Medicine (ISCCM) and the Indian Society of Anesthesiologists (ISA), he remains committed to advancing the field through active engagement in professional societies. His dedication to critical care excellence and patient-centred outcomes underscores his reputation as a leading expert in his field.
