

DR. ARINDAM MONDAL

Consultant – Surgical Oncology

Qualification

M.B.B.S. | M.S. General Surgery | M.Ch. Surgical Oncology

Overview

Dr. Arindam Mondal is a Consultant Surgical Oncologist at Manipal Hospitals, E.M. Bypass, Kolkata, specializing in minimally invasive Cancer surgeries with over a decade of experience. He completed his MBBS (2010), followed by MS in General Surgery (2016) and MCh in Surgical Oncology (2019), equipping him with extensive expertise in treating complex malignancies. As a certified Robotic surgeon (Da Vinci), Dr. Mondal is proficient in Robotic, Laparoscopic, and Video-Assisted Thoracoscopic (VATS) Oncosurgery, ensuring precision-driven, minimally invasive cancer treatments with faster recovery. His primary focus includes gastrointestinal (GI) cancers, thoracic malignancies, and lung cancer, where he integrates advanced surgical techniques for improved patient outcomes. Having worked in high-volume cancer centres, he thrives in high-pressure surgical environments, seamlessly collaborating within multidisciplinary teams while mentoring young surgeons. A passionate researcher, he has authored multiple publications in renowned national and international oncology journals, contributing to the evolving landscape of cancer treatment. With an unwavering commitment to innovation and patient-centric care, Dr. Mondal remains at the forefront of oncology surgeries, making a significant impact in the field of cancer treatment and surgical oncology in Kolkata.
