

DR. INDRANIL DAS

Senior Consultant - Emergency Medicine

Qualification

MBBS | FEM-RCGP (UK) | MEM-GWU (USA) | ACLS AP – MIME (New Delhi) | MRCEM-UK

Overview

Dr. Indranil Das is a Senior Consultant and Head of the Department for Accident and Emergency Care at Manipal Hospital, EM Bypass. With a career spanning over 17 years, Dr. Das has made invaluable contributions through his dedication and perseverance. He completed his MBBS from Silchar Medical College, Silchar, Assam, affiliated to the prestigious Assam University, following which he began his emergency medicine residency program at Apollo Gleaneagles Hospital, Kolkata. He received his REM certification under RCGP-UK and Medvarsity, Hyderabad in 2008, and further pursued a Master's in Emergency Medicine (MEM) degree from George Washington University, USA, as well as ACLS AP certification from Max Hospital (MIME), New Delhi. Throughout his career, Dr. Das has been associated with several eminent healthcare institutions, both nationally and internationally. He began his career at Apollo Gleanagles Hospital, Kolkata, followed by Tawam Hospital, a JCI-accredited teaching hospital in the UAE. He has acted as Consultant and Residency Director in the Institute of Emergency Medicine at Medeor Hospital, Delhi-NCR, Senior Consultant and Clinical Lead of Department of Emergency Medicine, Fortis Hospital Delhi, and as Emergency and ICU consultant in a designated COVID Hospital in Gurgaon. Dr. Das is a passionate healthcare provider and educator. He was one of the first doctors to utilize telemedicine in treating patients in rural parts of Silchar, Assam back in 2002, and had been an active physician as part of the State AIDS Control Society, Assam in 2004. He educates about a wide range emergency care practices, including BLS & ACLS, PALS, NCLS, Basic Emergency Care as established by WHO directives and national health and safety guidelines, and has instructed as well as directed various courses conducted under the American Heart Association in India. Dr. Das has been a faculty of the Eu-SIM for simulation training of the emergency practitioner since last 2 years and he led the COLS (Compression Only Life Support) training in Kolkata and adjoining areas, which trained more than 3000 people on CPR skills. He has also been an MRCEM Overseas Examiner and national faculty for EMCON. Dr. Das is well known across several institutions in India and abroad, and his exceptional leadership skills have made him a sought-after personality for conducting several notable workshops and examinations. He has been a Member of the Royal College of Emergency Medicine, UK, and has received the prestigious International Scholarship Award for the Best Research Presentation at the International Conference of Emergency Medicine (ICEM 2019) at Seoul, South Korea, and the Global EM Leadership Award for ACEP 2020.
