

DR. SHASWATI SENGUPTA DATTA

Consultant - ENT

Qualification

MBBS | MS ENT Gold Medalist | Fellowship in Sleep Apnoea Surgery (Singapore) Trained in Sialendoscopy & Cochlear Implant (Mumbai, RCS, London) | AMA Accredited by NASBS (USA)

Overview

Dr. Shaswati Sengupta Datta is a highly experienced Ear, Nose, and Throat (ENT) Specialist with over 17 years of expertise in her field. She is currently working as a Consultant in the Department of Ear, Nose & Throat (ENT) at Manipal Hospitals E.M. Bypass, Kolkata. Dr. Sengupta Datta completed her MBBS and MS in ENT from the prestigious Medical College, Calcutta, where she was awarded the Gold Medal for her exceptional academic achievements. Further enhancing her expertise, she obtained certification from the American Medical Association (AMA) by NASBS (North-American Skull-Base Society) in 2020. Additionally, she has been certified by the Royal College of Surgeons (RCS), England, and is an active member of the Indian Association of Otolaryngologists (AOI). Dr. Sengupta Datta's areas of expertise encompass a wide range of advanced ENT procedures, including microscopic ear and voice surgery, endoscopic sinus and nasal surgery, thyroid and neck mass management, cochlear implants, and laser-assisted surgeries for various head and neck conditions. She is skilled in performing minimal-access surgeries, including sialoendoscopy and salivary gland-related surgeries. Dr. Sengupta Datta is also highly proficient in pediatric otorhinolaryngology and coblator-assisted adenotonsillectomy. Her specialization extends to complex surgeries, including skull-based surgery (anterior and lateral) and sleep apnea surgery, providing comprehensive care for her patients. In addition to her clinical practice, Dr. Sengupta Datta is actively involved in an NGO for newborn hearing screening and awareness generation programs, reflecting her commitment to improving public health and education about ENT-related issues. She was previously a consultant at Medica Superspecialty Hospital, Kolkata, where she further honed her skills and made significant contributions to patient care. As a professional, Dr. Sengupta Datta is a member of several prestigious medical organizations, including the Indian Association of Otolaryngologists (IAO) and the Indian Association of Surgeons for Sleep Apnoea (IASSA), where she holds a life membership. Her wealth of experience, dedication to patient care, and commitment to advancing medical knowledge make her one of the leading ENT specialists in Kolkata.
