

DR. SUDEEP DAS

Senior Consultant - Medical Oncology

Qualification

MBBS | MD Radiotherapy | DM Medical Oncology | DNB

Overview

Dr. Sudeep Das is a highly skilled and accomplished Medical oncologist with over a decade of experience specialising in Medical Oncology and Haemato-oncology. Currently serving as a consultant in the Department of Medical Oncology at Manipal Hospitals E.M. Bypass, Kolkata, Dr. Das has built a reputation for his exceptional expertise and compassionate care. He has previously worked at renowned cancer centres, enhancing his proficiency in diagnosing and treating a wide range of malignancies. Dr. Das holds particular expertise in the management of gynaecological cancers, Breast Cancer, Lung Cancer, Gastrointestinal, Musculoskeletal, Urological, Head and neck, as well as all sorts of blood cancer malignancies. Throughout his career, Dr. Das has remained dedicated to staying at the forefront of medical advancements in oncology. His involvement in professional organisations such as the Indian Society of Medical and Paediatric Oncology, the Association of Radiation Oncologists of India, and the European Society for Medical Oncology underscores his commitment to professional development and collaboration. His tenure at Medica Superspecialty Hospital as a Senior Consultant further enriched his experience, enabling him to manage complex cancer cases with precision and empathy. With over ten years of experience in the field, Dr. Das continues to contribute significantly to the field of oncology, aiming to improve patient outcomes and quality of life. Through his dedication to research and education, Dr. Sudeep Das has authored numerous articles that shed light on various aspects of oncology, thereby enriching the medical community's understanding of cancer treatment. His expertise is sought after by peers and organisations, making him a trusted figure in the field of oncology.
