

DR. SOUMEN SAHA

Consultant - Microbiology, Laboratory Medicine

Qualification

M.B.B.S | M.D. MICROBIOLOGY

Overview

Dr. Soumen Saha is a Consultant in the Department of Laboratory Medicine - Microbiology at Manipal Hospitals, E.M. Bypass, Kolkata, with extensive experience in clinical microbiology, infection control, and diagnostic methodologies. Holding an M.B.B.S. (2008) and an M.D. in Microbiology (2016), Dr. Saha specializes in NABL and NABH-accredited laboratory audits, infection control practices—particularly in Medical and Surgical Oncology units—and advanced molecular diagnostics, including scanning electron microscopy and sample preparation. His expertise extends to quality assurance in microbiology labs, ensuring precision in diagnostic procedures and laboratory workflows. As a dedicated educator, Dr. Saha has mentored undergraduate medical students, D.M.L.T. (SMF) students, dental students, and nursing professionals, serving as an internal examiner for D.M.L.T. (SMF) programs. His commitment to medical education, infection prevention, and laboratory excellence positions him as a key contributor to patient safety and healthcare quality. At Manipal Hospitals, Dr. Saha plays a crucial role in enhancing microbiological diagnostics, optimizing infection control strategies, and implementing cutting-edge research in molecular biology. His proficiency in handling complex clinical cases, coupled with his passion for teaching and lab management, makes him a trusted authority in microbiology and infectious disease prevention.
