

DR. TAPAS BANDYOPADHYAY

Senior Consultant - Internal Medicine

Qualification

MBBS | MD | FRCP (Glasgow) | FACP (USA) | FICP | FDI (Fellow Diabetes India)

Overview

Dr. Tapas Bandyopadhyay, a Senior Consultant in the Department of Internal Medicine at Manipal Hospitals, E.M. Bypass, Kolkata, is a highly experienced physician with over 30 years of expertise in diagnosing and managing a wide spectrum of acute and chronic medical conditions. Holding an MBBS degree (1992) and an MD in Internal Medicine (1999), Dr. Bandyopadhyay has successfully treated countless patients, providing comprehensive care to both adults and children. His extensive experience in internal medicine, coupled with a Diploma in Diabetes and Endocrinology, makes him a leading expert in managing lifestyle diseases, metabolic disorders, infectious diseases, and multi-system complications. His holistic approach to internal medicine focuses on preventive healthcare, early diagnosis, and effective management of conditions such as diabetes, hypertension, thyroid disorders, respiratory illnesses, and gastrointestinal diseases. Dr. Bandyopadhyay is known for his empathetic approach, meticulous clinical assessments, and personalised treatment plans, making him one of Kolkata's most trusted internal medicine specialists. Patients seek his expertise not only for disease management but also for lifestyle modification advice, chronic disease prevention, and long-term wellness strategies. He is also the academic co-ordinator & academic in-charge, Department of Internal Medicine. For consultations with Dr. Tapas Bandyopadhyay, visit Manipal Hospitals, E.M. Bypass, Kolkata, and benefit from his decades of clinical excellence and compassionate healthcare.
