

DR. ARINDAM PANDE

Senior Consultant - Cardiology

Qualification

MBBS (Hons) | MD (General Medicine) | DM (Cardiology)

Overview

Dr. Arindam Pande is an experienced cardiologist with over 15 years of clinical expertise. At Manipal Hospitals, Kolkata, he works as a Senior Consultant in Interventional Cardiology. His practice covers a wide range of cardiac procedures, including coronary angiography, angioplasty, pacemaker implantation, Cardiac resynchronisation therapy (CRT), electrophysiology studies, and structural heart interventions. Dr. Pande completed his MBBS with honours, followed by an MD in General Medicine and a DM in Cardiology. He has further enriched his skills with advanced training in structural heart interventions in the USA. Over the years, Dr. Pande has performed more than 100000 coronary angiographies and over 10000 angioplasty procedures. He has also implanted more than 5000 pacemakers, making him highly skilled in both diagnostic and interventional cardiology. His expertise also includes electrophysiology, congenital heart disease interventions, device closures, balloon valvotomy, and pericardiocentesis. Dr. Pande has served in key roles at renowned teaching and healthcare institutions. He has been actively involved in academic training and has mentored postgraduate cardiology students. His passion for research is reflected in several published works on heart disease, device therapies, and interventional techniques. He is the best Cardiologist in EM Bypass, Kolkata. He has won multiple awards at national and international forums, including first place in challenging case presentations and leadership contests. His academic achievements include ranking among the top in his postgraduate and super-speciality exams. Dr. Pande is a member of the Cardiological Society of India, the European Society of Cardiology, and the American College of Cardiology. He also reviews articles for reputed medical journals. With sharp clinical acumen, hands-on skills, and a strong academic background, Dr. Arindam Pande is committed to offering the best possible care to his patients.

Fellowship & Membership

- American College of Cardiology (FACC, USA)
- European Society of Cardiology (FESC)
- Society for Cardiovascular Angiography and Interventions (FSCAI, USA)
- Royal College of Physicians (FRCP, Glasgow)
- Life Member, Cardiological Society of India
- Life Member, Indian Medical Association
- Member, American Heart Association
- Member, Society of Cardiac Intervention

Field of Expertise

- Coronary and peripheral interventions
- Structural heart disease interventions (TAVR, device closures)

- Electrophysiology and device therapy (Pacemakers, ICDs, CRT)
- Cardiac imaging and echocardiography
- Clinical research and academic training

Awards & Achievements

- 1st Place, TCT International Fellows Case Presentation, Washington, 2016.
- Best Case Presentation, TCTAP, Seoul, 2016.
- Best Challenging Case Award, German Heart Centre Master Course, Munich, 2023.
- Prof. Sital Ghosh Memorial Medal for Best MD Medicine Trainee, 2010.
- Young Leadership Award, SCI 2015.
- National Scholarship Awardee (Secondary & Higher Secondary).
- Numerous inter-college and zonal cardiology quiz competition awards.

Talks & Publications

- Textbook of Chronic Coronary Syndrome – Role of Polypills in the Management of CCS (Knowledge Bridge).
- Handbook of Cardiac Critical Care and Anaesthesia – Pulmonary Embolism (Taylor & Francis, 2023).
- Advances in Statin Therapy & Beyond in CVD – Advances in Statin Therapy in Atrial Fibrillation (Jaypee Brothers, 2022).
- Update in Cardiology 2021 – Selatogrel Self-administration in Acute Myocardial Infarction (Evangel Publishing).
- Essentials of Postgraduate Cardiology – Imaging and Classification of Takayasu's Arteritis (Evangel Publishing, 2018).
- Cardiometabolic Update – Prevention of Sudden Cardiac Death in Cardiometabolic (Jaypee Brothers, 2017).
- Update in Cardiology 2015 & 2016 – Topics on PCI, Stem Cell Therapy & CRT (Cardiological Society of India).
- REMOLUTION Study – Safety & Effectiveness of Remogliflozin in Type 2 Diabetes (Int. J. of Diabetes in Developing Countries).
- Consensus Statements – Evolving Terminology in Angina & Holistic Management (Int. J. of Cardiovascular Research; JAPI).
- Left Bundle Branch Pacing in Hypertrophic Cardiomyopathy (Am. J. of Cardiovascular Disease, 2021).
- Emerging Role of Gut Microbiota in Cardiovascular Diseases (Indian Heart Journal, 2021).
