

DR. ASHUTOSH JHA

Consultant - Orthopaedics

Qualification

MBBS (Gold Medalist) | MS (Ortho) | DNB (Ortho)

Overview

Dr. Ashutosh Jha is a highly acclaimed orthopedic surgeon known for his expertise in musculoskeletal trauma, joint replacement, and arthroscopic surgery. With an exceptional academic record and extensive clinical experience, he has established himself as one of the best orthopedic doctors in Ghaziabad. Dr. Jha graduated as a university topper from the prestigious Pt. JNM Medical College, Raipur, securing seven gold medals for academic excellence. He pursued his Master's in Orthopedics from SCB Medical College, Cuttack, one of the busiest orthopedic centres in India. To further refine his skills, he worked at the trauma center of RML Hospital and Lady Hardinge Medical College as a senior resident, gaining hands-on experience in complex orthopedic cases. With a keen interest in trauma management, Dr. Jha undertook an AO Trauma Fellowship in Seoul, recognized as the gold standard in musculoskeletal trauma care. Additionally, he was awarded a fellowship in trauma at Lakeshore Hospital, Kochi, by the Indian Orthopedic Association. His training in arthroplasty from the renowned Depuy J&J Institute, Chennai, under leading national and international faculties, further strengthened his expertise in joint replacement surgeries. Currently, Dr. Jha is a leading surgeon specializing in hip and knee replacements, boasting a remarkable 0% post-operative infection rate. His commitment to patient safety and excellence makes him a trusted name in orthopedic care. He has also served as an Assistant Professor at the Sports Injury Centre, Safdarjung Hospital, where he gained extensive experience in managing complex sports injuries using advanced arthroscopic (keyhole) techniques. Dr. Ashutosh Jha's dedication to innovation, precision, and patient-centred care has earned him widespread recognition, making him the preferred choice for orthopedic treatments in Ghaziabad and beyond.
