

DR. DEEPA VERMA

Consultant - Orthodontics

Qualification

BDS | MDS (Orthodontics)

Overview

Dr. Deepa Verma is a highly respected orthodontist with over 25 years of experience in the field of dental medicine. She is currently serving as a Consultant – Orthodontics at Manipal Hospital, Ghaziabad, where she provides expert care in correcting dental and facial irregularities using advanced orthodontic techniques. Dr. Verma completed her BDS and MDS in Orthodontics from the prestigious King George's Medical College (KGMC), Lucknow, in 1998. Following her postgraduate training, she dedicated over two decades to academics and clinical practice as a Professor at Santosh Dental College, Ghaziabad. Her dedication to teaching and clinical excellence has contributed immensely to the field of orthodontics. At Manipal Hospital, Ghaziabad, Dr. Verma offers a wide range of orthodontic services, including aligner therapy (Invisalign and other clear aligners), traditional metal and ceramic braces, lingual orthodontics (invisible braces placed behind the teeth), and orthognathic treatments for jaw alignment. Her treatment plans are individualized to meet each patient's unique needs, ensuring optimal functional and aesthetic outcomes. Dr. Deepa Verma is a proud member of esteemed professional bodies such as the Indian Orthodontic Society (IOS), Indian Dental Association (IDA), and Indian Society for Dental Research (ISDR). She communicates fluently in English and Hindi, ensuring clarity and comfort for her patients throughout the treatment process. Renowned for her clinical expertise, compassionate care, and commitment to delivering high-quality orthodontic solutions, Dr. Deepa Verma is widely regarded as one of the best orthodontists in Ghaziabad. Patients at Manipal Hospital, Ghaziabad, trust her for her precise diagnosis, innovative treatment techniques, and consistent results in transforming smiles.
