

PROF. (DR.) RAJEEV ANAND

Consultant - Orthopaedic

Qualification

M.B.B.S. (B.H.U) | M. S. (ORTHO) | D. N. B. (ORTHO) | MCh. (Ortho) | MAMS

Overview

Prof. (Dr.) Rajeev Anand is a highly esteemed orthopaedic specialist at Manipal Hospitals, Ghaziabad, bringing extensive expertise and a distinguished career in orthopaedic medicine. He holds a multitude of qualifications, including an M.B.B.S. from Banaras Hindu University (B.H.U), an M.S. in Orthopaedics, a D.N.B. in Orthopaedics, and an M.Ch. in Orthopaedics. Dr. Anand is also a member of the National Academy of Medical Sciences (MAMS) and is registered under the number 28373. Dr. Anand's professional journey is marked by prestigious appointments and significant contributions to the medical field. He has previously served as a specialist at AIIMS, Holy Family Hospital, UCMS, and GTB Hospital in Delhi. His expertise was further honed during his tenure as a consultant at Apollo Hospital Sarita Vihar, Delhi, and Narender Mohan Hospital. His leadership capabilities are evident from his past presidency of both the Indian Medical Association (IMA) Ghaziabad and the Ghaziabad Orthopaedic Club. Dr. Anand is also an active organizer in the medical community, having coordinated several significant events such as the UP Arthroplasty Association Conference and the Midterm Symposium of the UP Orthopaedic Association. His dedication to advancing orthopaedic knowledge is highlighted by his role in organizing the U.P. Ortho PG Teaching Course. His scholarly contributions include presenting scientific papers at the SICOT conference in Prague and attending the American Academy of Orthopaedic Surgeons (AAOS) meetings in Rome and Las Vegas. His commitment to excellence in orthopaedics is recognized through various fellowships and memberships, including the Depuy Joint Replacement Fellowship, the Indian Arthroplasty Association, the Indian Orthopaedic Association, the Indian Foot and Ankle Society, and A.O. Trauma Swiss. Dr. Anand's expertise spans trauma, joint replacement, and complex orthopaedic surgeries. His outstanding contributions have been acknowledged with the Rajeev Gandhi Excellence Award. Additionally, he is a certified postgraduate orthopaedic teacher at Santosh Medical College, an ex-vice president of the UP Orthopaedic Association, and a former executive member of the Delhi Orthopaedic Association. Prof. (Dr.) Rajeev Anand's extensive experience, academic involvement, and dedication to patient care make him a leading figure in orthopaedics at Manipal Hospitals Ghaziabad.
