

DR. PRATEEK GUPTA

Consultant - Orthopaedics

Qualification

MBBS | DNB (ortho) | MRCS (Glasgow) | MNAMS | PG Diploma in Computer and Robotic-Assisted Joint Replacement

Overview

Dr. Prateek Gupta is a highly skilled and experienced orthopaedic surgeon specializing in complex trauma, joint replacement, joint preservation, and sports medicine. With an impressive academic background and extensive training, Dr. Gupta stands out as an expert in his field. He holds an MBBS and a Diplomate of National Board (DNB) in Orthopaedics, further bolstered by a Membership of the Royal College of Surgeons (MRCS) from Glasgow and a Membership of the National Academy of Medical Sciences (MNAMS). Additionally, he has completed a postgraduate diploma in computer and robotic-assisted joint replacement, highlighting his commitment to incorporating advanced technologies into his practice. He is the foremost Ortho Doctor in Ghaziabad. Dr. Gupta's career is marked by significant international experience and specialized training. After completing his post-graduation in India, he earned the prestigious membership of the Royal College of Physicians and Surgeons in Glasgow. He further honed his skills in the UK, where he worked as a senior fellow in arthroplasty and trauma at the University Hospital of Coventry and Warwickshire. This role provided him with invaluable experience in handling complex orthopaedic cases. Dr. Gupta's expertise in robotic joint replacement is unparalleled, having completed a fellowship at the Golden Jubilee National Hospital in Glasgow, Europe's busiest joint replacement centre. His training in this cutting-edge technology ensures that his patients benefit from minimally invasive procedures, reduced recovery times, and improved outcomes. In addition to his clinical skills, Dr. Gupta is also recognized for his contributions to the field of orthopaedics. He is a member of the Royal College of Surgeons and Physicians (Glasgow) and has received numerous accolades for his work. His dedication to patient care, combined with his advanced training and international experience, make Dr. Prateek Gupta a leading expert in trauma and orthopaedics at Manipal Hospital, Ghaziabad.
