

DR. AKANKSHA AGARWAL

Consultant - Dermatologist & Cosmetologist

Qualification

MD Dermatology & Fellowship in Cosmetology

Overview

Dr. Akanksha Agarwal is a distinguished dermatologist at Manipal Hospital in Ghaziabad, bringing a wealth of expertise in both general dermatology and advanced cosmetic procedures. With a robust educational background that includes an MD in Dermatology and a Fellowship in Cosmetology, Dr. Agarwal has honed her skills to cater to a diverse range of dermatological needs across all age groups. She is the Best Skin Specialist in Ghaziabad. Dr. Agarwal is a member of the prestigious "India America Delhi Vegas Lakshadweep Fellowship Membership" (LM/ND/14912), reflecting her commitment to maintaining high standards of professional excellence. Her field expertise encompasses the management of complex dermatological cases and the execution of cosmetic procedures. She is adept at performing treatments such as botox, fillers, thread lifts, platelet-rich plasma (PRP) therapy, laser treatments, and minor surgical procedures like wart and mole removal, as well as earlobe repair. Her clinical acumen is complemented by her significant achievements in the field. Dr. Agarwal was awarded the third prize in a poster presentation at the National Medical Trichology CME. Her study, titled "Efficacy of Topical Minoxidil Alone, and Topical Minoxidil-Platelet Rich Plasma Therapy Combination in Women with Female Pattern Hair Loss - A Randomized Open Study," showcased her innovative approach to treating hair loss in women, highlighting her dedication to research and patient care. Additionally, she secured second place in the IADVL GSK National Quiz Program for Post Graduates, further demonstrating her depth of knowledge and expertise in dermatology. At Manipal Hospital, Dr. Agarwal is committed to providing personalized and comprehensive dermatological care. Her dedication to her patients and her passion for advancing dermatological practice make her a valuable asset to the hospital and the broader medical community.
