

DR. NIKHIL SONTAKKE

Consultant - Interventional Cardiology

Qualification

MBBS | MD in Internal Medicine | DNB in Cardiology

Overview

Dr. Nikhil Sontakke is an experienced interventional cardiologist currently working as a Consultant at Manipal Hospitals, Goa. With a strong background in diagnosing and treating cardiovascular conditions, he is well-versed in both acute and chronic cardiac care. His expertise spans interventional cardiology, structural heart disease interventions, preventive cardiology, and peripheral vascular procedures. Dr. Sontakke completed his M.B.B.S. from Bharati Vidyapeeth Medical College, Pune. Later, he pursued an M.D. in Internal Medicine from the Government Medical College and Hospital, Aurangabad. He further specialised in cardiology by earning his Diplomate of National Board (DNB) in Cardiology from Medwin Hospital, Hyderabad. Over the years, he has developed extensive hands-on experience in complex cardiac procedures and advanced imaging techniques. He is the best Cardiologist in Goa. Before joining Manipal Hospitals, Goa, Dr. Sontakke worked as a Chief Consultant Interventional Cardiologist at Healthway Hospitals, Old Goa. Prior to that, he was a Junior Consultant Cardiologist at Yashoda Hospital, Hyderabad. Throughout his career, he has been actively involved in advanced cardiac diagnostics, including echocardiography, angiography, catheterization, and stress testing. He has also played a crucial role in mentoring junior doctors and medical students, contributing to the overall improvement of cardiac care services. Dr. Nikhil is an International Associate of the American College of Cardiology and a Fellow of The Society for Cardiovascular Angiography and Interventions (FSCAI), USA. His dedication to cardiology extends beyond clinical practice, as he actively engages in research, institutional committees, and patient education programs. His interests lie in coronary imaging, complex coronary interventions, structural heart procedures, and preventive cardiology. With a patient-centric approach and a passion for advancing cardiovascular medicine, Dr. Sontakke remains committed to delivering high-quality cardiac care while staying at the forefront of emerging technologies and treatment protocols.
