

DR. VIKRAM BARUA KAUSHIK

HOD & Consultant - Urologist

Qualification

M.B.B.S | M.S. (General Surgery) | Diplomate N.B. (Urology) | FRCS | F.A.C.S.

Overview

Dr. Vikram Barua Kaushik, a highly experienced HOD & Consultant - Urologist in Gurugram with over 20 years of expertise, currently operating at Manipal Hospitals, Gurugram as the Head of the Department (HOD) of Urology & Renal Transplant Surgery. Specialising in Endourology, Prostate Disease, Kidney Transplant, and Uro-Oncology, Dr. Kaushik is a distinguished expert in treating complex urological conditions with advanced laparoscopic and robotic-assisted surgical techniques. Having earned his M.B.B.S. and M.S. in General Surgery, he further pursued a Diplomate N.B. in Urology, FRCS (England), and F.A.C.S. (USA). His academic excellence and continuous professional development have enabled him to master cutting-edge techniques in minimally invasive urological procedures. Throughout his illustrious career, Dr. Kaushik has worked with top renowned medical institutions, gaining extensive experience in managing complex urological disorders. His expertise includes the treatment of prostate enlargement, kidney stones, urinary incontinence, kidney cancer, and reconstructive urology. Patients in Gurugram can now benefit from his comprehensive, patient-centric approach at Manipal Hospitals, Gurugram, where he is committed to delivering world-class urological care. Dr. Kaushik is particularly known for his proficiency in robotic radical prostatectomy, laparoscopic donor nephrectomy, renal transplantation, and advanced reconstructive urology. He has played a pivotal role in pioneering robotic-assisted and minimally invasive surgeries for urological cancers and disorders, ensuring faster recovery times, reduced complications, and enhanced patient outcomes. In addition to his clinical expertise, Dr. Kaushik has made significant contributions to medical research, with numerous publications in peer-reviewed journals and presentations at national and international conferences. He remains actively involved in mentoring young urologists, sharing his knowledge through workshops and seminars to advance the field of urology. If you are looking for the best urologist in Gurugram for kidney transplant, prostate disease, or advanced urological treatments, visit Manipal Hospitals, Gurugram, and consult Dr. Vikram Barua Kaushik for expert care and treatment tailored to your needs.
