

DR. AMITA SHAH

Chairman & Head of the Department of Obstetrics and Gynaecology

Qualification

MBBS | MD (Gold Medalist) | Certificate courses in Advanced Laparoscopy (focus on Endometriosis, Hysterectomy, Myomectomy) and Advanced Hysteroscopy.

Overview

Dr. Amita Shah is a visionary leader, skilled surgeon and compassionate clinician with nearly three decades of experience in the field of Obstetrics and Gynaecology. She has joined Manipal Hospital as the Chairman and Head of Department of Obstetrics and Gynaecology, bringing with her a legacy of innovation, compassionate care and transformative leadership. A Gold Medalist and proud alumnus of the prestigious King George 's Medical College (KGMC), she began her postgraduate training in 1995. Her dedication to patient care and clinical excellence was recognised with the "Usha Sharma Running Trophy " Since then, she has consistently pushed the boundaries and trained extensively in advanced Laparoscopic procedures, Robotic surgeries, High risk Obstetrics and Reproductive endocrinology. Dr. Amita's areas of expertise include 3D and Robotic Assisted laparoscopic Gynae Surgeries, High Risk Obstetrics and Fetal medicine, Infertility and Reproductive Endocrinology, Menopausal Medicine and wellness, Adolescent and preventive Gynaecology, Gynae Oncology screening and Management. Her commitment to women's health has been recognised nationally, earning her accolades such as the "Most Inspiring Gynaecologist of North India " and the "Inspiring Women Achiever Award of Gurgaon". Her clinical acumen has led to the delivery of over 10,000 babies and 5000+ advanced Gynaecological surgeries. With a patient-first approach, she blends clinical excellence with cutting-edge technology, including 3D laparoscopy and robotic-assisted surgeries. Her surgical skills in both open and laparoscopic surgery have benefited patients from all across the globe. Dr. Shah is a regular faculty and speaker at national and international medical conferences, where she has delivered impactful lectures, led workshops, and performed live surgical demonstrations. She plays an active role in mentoring young specialists and advancing women's health education. She is. Life Member of various Organisations -IFS, IAGE, HIAGE, DAGES, GOGS and is actively involved in contributing to teaching and learning. With a clear focus on excellence, empathy, and empowerment, Dr. Amita Shah envisions the Department of Obstetrics and Gynaecology at Manipal Hospital as a Centre of Excellence delivering evidence-based, technology-driven, and patient-focused care to women at every stage of life, from puberty to menopause.
