

DR. SANTOSH SHIVAWSWAMY

Consultant - ENT & Head and Neck Surgeon

Qualification

MBBS | DLO | DNB

Overview

ENT (Ear, Nose, and Throat) and Head & Neck Surgery Consultant Dr. Santosh Shivawswamy is highly qualified and accomplished. Dr. Shivawswamy has earned a solid reputation in the medical community because of his strong educational background and breadth of professional experience. He is a highly sought-after specialist because of his commitment to patient care and proficiency in various surgical techniques. Dr. Shivawswamy is certified by the Diplomate of National Board (DNB), the Diploma in Otorhinolaryngology (DLO), and the Bachelor of Medicine and Bachelor of Surgery (MBBS) degrees. These credentials demonstrate his dedication to learning the skills and information required to succeed in his line of work. Dr. Shivawswamy has completed a Fellowship in Laryngology to further enhance his expertise. He has gained considerable knowledge in diagnosing and treating laryngeal problems, including voice abnormalities, thanks to his specialised training. His participation in several respected organisations demonstrates his commitment to lifelong learning. He belongs to the Indian Academy of Allergy, the Indian Academy of Otolaryngology and Head & Neck Surgery, the Association of Otolaryngologists of India, and the Indian Association of Surgeons for Sleep Apnea (IASSA). No wonder he is considered the best ENT surgeon in Hebbal, Bangalore. Dr. Shivawswamy's expertise encompasses a wide range of ENT and head and neck surgical procedures. He is skilled in endoscopic sinus surgery, which uses minimally invasive methods to address diseases connected to the sinuses. He specializes in micro ear surgery, performing delicate procedures such as stapedotomy, tympanoplasty, mastoidectomy, and ossiculoplasty to restore hearing and treat ear disorders. Head and neck surgery, including laryngotracheal reconstructions and endoscopic anterior skull base surgery, is another area of Dr. Shivawswamy's expertise. He is skilled in diagnosing and treating conditions affecting the head and neck region, ensuring optimal patient outcomes. Dr. Shivawswamy is also well-versed in phono surgery for voice disorders, addressing vocal cord function and quality issues. He is particularly interested in snoring disorders and offers comprehensive evaluation and management options to help patients overcome sleep-related breathing problems. Dr. Shivawswamy has received numerous awards and recognition throughout his career as a testament to his dedication and expertise. Notably, he was awarded the Prof. S Kameshwaran Gold Medal for his paper presentation on the role of fibrin glue in ear surgery. He has also added to the body of medical knowledge through his writings, including a co-authorship in the Journal of Otolaryngology and Head and Neck Surgery. Dr. Santosh Shivawswamy's passion for patient care, extensive qualifications, and exceptional surgical skills make him a respected and sought-after ENT and Head and Neck Surgeon. Through his expertise, he strives to provide the best possible outcomes for his patients and contribute to the advancement of the field of ENT surgery.
