

DR. NAGARAJAN P

Senior Consultant - Renal Transplant Surgeon

Qualification

MBBS | MS(Gen Surgery) | FRCS | FMAS | Fellowship in Liver Transplant

Overview

Dr. Nagarajan P is a highly skilled renal transplant surgeon in Bangalore. He's currently practicing at Manipal Hospital Hebbal, Bangalore, as a Senior Consultant - Renal Transplant Surgery. In addition to his extensive qualifications, including an MBBS, MS in General Surgery, FRCS, and FMAS, he holds a Fellowship in Liver Transplant Surgery. His expertise spans a wide range of complex procedures, making him a distinguished figure in the medical community. Dr. Nagarajan specializes in various renal transplant procedures such as PTFE Grafts, Vascular Access for Dialysis, Laparoscopic Donor Nephrectomy, Renal Replacement Therapy, and Renal Transplant Surgery. His knowledge in these areas is complemented by years of hands-on experience, providing patients with the highest standards of care. Dr. Nagarajan's surgical skills are also recognized in liver transplantation and hepatopancreatic biliary surgery. His fellowship training in liver transplant surgery has honed his ability to handle intricate cases with precision and compassion. Throughout his career, Dr. Nagarajan has been recognized for his contributions to medical science and patient care. He earned third place in a national quiz competition at the Association of Minimally Invasive Surgeons of India's Annual Conference in 2002, further reflecting his dedication to continuous learning and staying updated on medical advancements. His expertise has also earned him the distinction of Best Outgoing International Fellow in Liver Transplant Surgery from Kaohsiung Chang Gung Memorial Hospital, Taiwan, in 2016. Dr. Nagarajan is highly regarded for his patient-centric approach. He prioritizes individualized care, ensuring that each patient receives tailored treatment plans. His clear communication and compassionate care have earned him the trust and respect of both colleagues and patients alike. In addition to his clinical work, Dr. Nagarajan is fluent in Hindi, English, and Tamil, allowing him to communicate with a diverse range of patients effectively.
