

DR. NEELIMA SHARMA

Consultant - Dermatologist

Qualification

MBBS | DVD | DNB | Fellowship in Dermatopathology

Overview

Establishing her name in the long medical career of 23 years, Dr. Neelima Sharma is a well-heard name in the Department of Dermatology and its related aspects. With over 23+ years of medical and clinical experience in Dermatology, Dr. Neelima is considered a competent and knowledgeable medical practitioner who strives to give her patients the best medical care possible. With her extreme care and empathy towards the patients, she treated various skin, hair, and nail-related disorders and conditions, especially in women and the elderly (Geriatric Dermatology), which seemed complex at times but easily tackled due to her expertise in multiple fields. Dr. Neelima is employed by the honoured Manipal Hospitals, Jayanagar, Bangalore, which enabled her to gain practical exposure to a wide range of derma aspects. Being a highly-skilled and revered consultant Dermatologist, Dr. Neelima pursued a decent range of degrees, including MBBS, a Diploma in Dermatology, Venerology, and Leprosy (DVD), a Fellowship in Dermatological Pathology, and a Diplomate National Board (DNB) known to provide high opportunities in clinical practice. These qualifications led her to be a highly-sought consultant in the Dermatology field and to be shaped as a prolific medical professional as she is today. For the same reason, she is considered to be the best dermatologist in Jayanagar, Bangalore. Dr. Neelima's fluency in English, Kannada, and Hindi allowed her to treat local patients and reach and comprehend the health conditions faced by international patients and cure them promptly on a priority basis. As she adopted the patient-first practice, her services are fully customised to suit every patient's needs and priorities. Her fellowships and memberships do not require a specific introduction, as she is a proud member of the Indian Association of Dermatologists, Venereologists, and Leprologists. She also holds a lifetime membership in the Geriatric Society of India. Being an active Executive member (EC) member of the Bangalore Dermatological Society, she is also the founding secretary of the Community Dermatology Society of India. Dr. Neelima's first-rate and multi-layered expertise in wide-range of Dermatology fields has drawn attention from the medical fraternity, which includes the treatment of vitiligo, psoriasis, treatment of eczema and skin allergies, acne and acne scarring treatments, age spots, sun spots, hyperpigmentation/tan treatments, phototherapy, treatment for hair fall, Cryotherapy, Electrocautery, skin and other biopsies, nail surgeries, excision of lipomas and sebaceous cysts, wart and mole removal procedures, Dermoscopy, modern laser treatments for treating unwanted hair, pigmentation, acne scars, microwave micro-needling, treatment for anti-ageing using Botox and fillers and more. She firmly believes it is crucial to address dermatology-related conditions internally on par with treating them externally. On top of all, she proved her passion by undergoing training both locally and abroad in community Dermatology, Geriatric Dermatology, clinical Dermatology, dermatological treatments, dermatopathology, and lasers.
