

DR. MAHENDRA JAIN

Consultant - Urologist

Qualification

MBBS | MS | MCh | DNB

Overview

Dr. Mahendra Jain is a highly qualified and experienced Consultant Urologist specialising in various fields, including endourology, uro-oncology, reconstructive urology, renal transplant, and laser surgery for the prostate. With an extensive educational background, Dr. Jain holds an MBBS degree and an MS in General Surgery from Lokmanya Tilak Municipal Medical College, Mumbai. He further pursued an MCh in Urology/Genito-Urinary Surgery from Bombay Hospital Institute of Medical Sciences, where he showcased exceptional skills and knowledge in his field. Dr. Jain's expertise lies in a range of urological procedures and treatments. He is an expert at performing prostate surgery, kidney stone treatment, penile prosthesis surgeries, laparoscopy, uro oncology procedures, lithotripsy, and andrology. His proficiency extends to laser surgery, kidney transplants, retrograde intrarenal surgery (RIRS), and transurethral incision of the prostate (TUIP), among others. Dr. Jain's diverse skill set and vast experience make him a trusted name in the field of urology. Dr. Mahendra Jain actively participates in knowledge-sharing and academic activities alongside his clinical practice. He has contributed to medical literature and authored a chapter on "Uretrolithotomy" in the book "Surgical Technique 2019 in Pediatric and Adolescent Urology" by Mohan Gundeti, published by JAYPEE. He has also presented several talks and publications at national conferences, shedding light on important topics such as augmentation cystoplasty, radical prostatectomy, laparoscopy in undescended testes, and post-prostatectomy incontinence. For the same reason, he is considered the foremost urologist in Jayanagar. Dr. Jain is fluent in English, Hindi, and Kannada, enabling effective communication with patients from diverse linguistic backgrounds. His ability to connect with patients and deliver comprehensive care has earned him recognition and appreciation throughout his career. He has served as the Chairperson for various urology-related events and CMEs (Continuing Medical Education), highlighting his leadership skills and commitment to professional growth. Dr. Mahendra Jain's dedication to his profession goes beyond his clinical practice. He has been part of medical relief teams for earthquake and emergency surgical management during communal riots, showcasing his selfless and compassionate nature. With over two decades of experience, Dr. Mahendra Jain has provided quality urological care to numerous patients. He has worked as an Independent Consultant Urologist at Bangalore Fortis and Mahaveer Jain Hospital and as the Urologist in Charge at Aditya Lithotripsy Centre. His tenure as a Senior Resident at Bombay Hospital Institute of Medical Sciences and Lokmanya Tilak Municipal Medical College further fortified his expertise. The All India Clinical Gathering, Karnataka Clinical Chamber, Maharashtra Clinical Board, Urological Society of India, and Karnataka Urologist Affiliation participations held by Dr. Mahendra Jain exhibit his devotion to remaining current with advancements in his field. Dr. Mahendra Jain is a specialist urologist with long periods of involvement with various urological tasks and treatments. He keeps making significant commitments to urology because of his strong instructive foundation, immense experience, and commitment to clinical writing. He has acquired the trust and regard of two of his collaborators and patients due to his commitment to patient consideration, authority abilities, and dynamic support in academic exercises.
