

DR. CHAITRA P ADIGA

Consultant - Radiology & Imaging

Qualification

MBBS | DMRD | DNB Radiodiagnosis | FRCR

Overview

Dr. Chaitra P Adiga is an experienced radiologist in Bangalore with 10+ years of experience in the field. She is currently practising as Consultant - Radiology at Manipal Hospital Kanakapura Road. Her expertise spans various domains of radiology, including chest imaging, gastrointestinal imaging, prostate imaging, and musculoskeletal imaging. She has developed a strong reputation for delivering accurate, reliable, and high-quality diagnostic results, playing a key role in diagnosing and managing a wide array of medical conditions. Her professional approach, which blends analytical rigour with attention to detail, has made her a top radiologist in Bangalore. Dr. Chaitra graduated with an MBBS degree from J.J.M. Medical College in Davanagere. She further pursued her post-graduation from Bangalore Medical College, where she excelled and became the university topper in her final examination. Her determination to advance her expertise led her to obtain additional qualifications, including a Diploma in Medical Radiology and Imaging (DMRD), a Diplomate of National Board (DNB) in Radiology, and a Fellow of the Royal College of Radiologists (FRCR) from the General Medical Council (GMC) in the UK, which reflect her high level of commitment to global standards of medical practice. Dr. Chaitra's special interests lie in performing imaging studies for conditions related to the chest, gastrointestinal, prostate, and musculoskeletal systems. She is also proficient in non-vascular interventions, performing image-guided procedures that contribute significantly to patient care. Dr. Chaitra's strong academic orientation has led her to publish numerous national and international research papers, further cementing her reputation as an expert in her field. She has also completed an Online Fellowship in Musculoskeletal Imaging, expanding her expertise in this area. As a radiologist in Kanakapura, Dr. Chaitra P Adiga is known for her collaborative work style. She works closely with multidisciplinary teams to ensure optimal patient outcomes. Her strong analytical skills, attention to detail, and commitment to accuracy make her a valuable asset to the doctors. Her ability to interpret complex images and provide actionable insights has positively impacted the treatment plans of countless patients. Dr. Chaitra is fluent in Kannada, English, and Hindi, ensuring she can communicate effectively with a diverse patient population.
