

DR. PRASHANTH K K

Associate Consultant - Orthopaedics

Qualification

MBBS | D'Ortho

Overview

Dr. Prashanth K K is an experienced orthopaedic surgeon in Kanakapura Road, Bangalore. He is currently practising as an Associate Consultant - Orthopaedics at Manipal Hospital Kanakapura Road. With over 18+ years of clinical experience in orthopaedics, Dr. Prashanth is widely recognised for his dedication, surgical precision, and commitment to improving the quality of life for his patients. He has earned a reputation for delivering comprehensive orthopaedic care across a broad spectrum of conditions, ranging from joint disorders and fractures to complex limb deformities and paediatric orthopaedic cases. Dr. Prashanth completed his MBBS and then pursued a Diploma in Orthopaedics, equipping him with a strong academic foundation and surgical training. Over the years, he has developed extensive expertise in managing both routine and advanced orthopaedic conditions, applying evidence-based protocols tailored to individual patient needs. His core area of specialisation is Total Joint Replacement, where he performs primary and revision procedures for hip and knee joints, focusing on pain relief, improved mobility, and long-term joint function. Dr. Prashanth also brings advanced skills in hand, foot, and ankle surgeries, as well as managing trauma, deformities, arthritis, and congenital conditions that affect these small but complex joints. In the field of external fixation surgery, Dr. Prashanth is adept at treating complex fractures, limb length discrepancies, and bone infections using modern fixation devices. His expertise in paediatric orthopaedics is also noteworthy. He provides comprehensive care for children with congenital deformities, growth abnormalities, and fracture management, always ensuring a gentle, reassuring approach that aligns with the unique needs of paediatric patients. Dr. Prashanth consistently updates his clinical skills and keeps pace with advancements in orthopaedic surgery. He is a proud member of the Board of Specialty Societies (BOS) and the Karnataka Orthopaedic Association (KOA). His commitment to academic excellence and surgical innovation is reflected in his exceptional treatment outcomes and consistently high patient satisfaction. Dr. Prashanth believes in clear communication and actively involves patients and their families in understanding the diagnosis and exploring treatment options. At Manipal Hospital Kanakapura Road, Dr. Prashanth works closely with a multidisciplinary team, following a collaborative and holistic model of care. He combines clinical insight with advanced imaging and rehabilitation services to offer end-to-end orthopaedic solutions, from diagnosis and surgery to recovery and follow-up. Dr. Prashanth speaks Kannada, English, and Hindi, enabling him to connect with patients across diverse backgrounds and ensure personalised care.
