

DR. NAGENDRA K

Consultant - General Surgery

Qualification

MBBS | MS General Surgery

Overview

Dr. Nagendra K has gained over 20 years of expertise in abdominal surgery and has also served as the general surgeon at Manipal Hospital Malleshwaram in Bangalore. He is skilled in minimally invasive procedures and abdominal surgeries, including those for hernias and haemorrhoids. Dr. Nagendra K is famous for his attention to detail and precise and accurate diagnosis. In addition to holding an MBBS and an MS in general surgery, Dr. Nagendra K received his MBBS from the renowned Kempegowda Institute of Medical Sciences in Bangalore in 1981. Jagadguru Jayadeva Murugarajendra Medical College in Davangere is where he received his MS in 1994. His speciality is laparoscopic surgery, a complicated method that allows a surgeon to access the belly and pelvis' contents without creating noticeable skin incisions. Dr. Nagendra K specialises in minimally invasive operations for thyroid disorders, haemorrhoids, hernias, and other conditions. He views each case as a unique challenge. Thus, Dr. Nagendra K makes an effort to ensure that the patient has received proper care before being allowed to go. The delight of curing illness drives him, and he gives his all to every customer. Dr. Nagendra K emphasises his patients and provides the best care for them. You can book appointments with him online. Dr. Nagendra K is skilled in minimally invasive procedures and abdominal surgeries, including those for hernias and haemorrhoids. Dr. Nagendra is the best abdominal surgeon in Malleshwaram, Bangalore. Dr. Nagendra K has handled many challenging medical cases. Not only that he is also a part of ASI and BSS, two of the most renowned medical associations. He naturally joined the Bangalore Surgical Society (BSS), the Bangalore Surgical Society, and the Association of Surgeons of India (ASI) since he is a surgeon in Bangalore. The doctor is skilled in various illnesses requiring surgical procedures, including general surgeons. In addition to hernia and haemorrhoids, thyroid-related surgeries, and minimally invasive surgeries, Dr. Nagendra K, a general surgeon at Manipal Northside in Bangalore, has more than 20 years of experience in abdominal surgeries. He is motivated by his love of surgery, finds each case complex, and works hard to take good care of the patient. The pleasure of healing a condition inspires him. Dr. Nagendra earned his MBBS and MS degrees from the Jagadguru Jayadeva Murugarajendra Medical College in Davangere, respectively, in 1981 and 1994. Dr. Nagendra K often attends domestic and international conferences and belongs to the Bangalore Surgical Society (BSS) and the Association of Surgeons of India (ASI).
