

DR. BASAVAPRABHU ACHAPPA

Consultant - Internal Medicine

Qualification

MBBS | MD (Internal Medicine)

Overview

Dr. Basavaprabhu Achappa is a highly respected Senior Consultant Physician at KMC Hospital, Mangalore, with an impressive career spanning over 17 years. His journey began at the esteemed J.J.M Medical College, where he pursued his MBBS as the Best Outgoing Student, laying the foundation for his exceptional achievements. Dr Achappa further honed his expertise by pursuing his MD in Medicine at KMC Mangalore in 2004. He is the foremost Internal Medicine Doctor in Mangalore. Since joining KMC, Dr. Basavaprabhu Achappa has served with dedication, starting as an Assistant Professor and rising to his current position in June 2023. This progression reflects his commitment to both clinical practice and academic excellence. Dr. Achappa is not only a skilled clinician but also a prolific researcher with over 100 publications in national and international journals. His passion for knowledge extends beyond publications, as evidenced by his numerous presentations at national and local conferences, CMEs, symposiums, and even lectures. Dr. Achappa actively contributes to academic advancement by serving as faculty for programs like the Antibiotics Stewardship Programme and by guiding postgraduate and undergraduate students on research projects funded by the Indian Council of Medical Research (ICMR) and other organizations. Dr. Achappa's remarkable achievements have been acknowledged through prestigious awards like the T.M. Pai Gold Medal for Young Researcher and the Dr B.M. Hegde Gold Medal for Cardio-Respiratory Competitive Exam. This recognition serves as a testament to his dedication, expertise, and ongoing contributions to the field of medicine. Dr. Achappa believes in a holistic approach to life. He finds his passion for travel and sports interwoven with his dedication to patient care. A former college and university cricket player, he continues to represent KMC Mangalore's faculty team, demonstrating his commitment to teamwork and well-being in all aspects of life. Dr. Basavaprabhu Achappa is a shining example of dedication, expertise, and leadership within the medical community. His combined passion for patient care, research, and education makes him a valuable asset to KMC Mangalore and a true advocate for improved health outcomes.
