

DR. K N SANMAN

Consultant - Urology

Qualification

MBBS - VIMS, Bellary, RGUHS - 2005 | M.S (General Surgery) - Goa Medical College - Goa University - 2011 | DNB Urology (Genito-Urinary Surgery) - KMC, Mangalore - NBE- 2015

Overview

Dr. K N Sanman is an experienced Professor in the Department of Urology at KMC Hospital, Mangalore. With extensive experience in the field, he has held the position of Associate Professor since September 2020 and previously served as an Assistant Professor in Urology from March 2016 to September 2020. His academic journey includes a tenure as an Academic Registrar from 2013 to 2016 at KMC, Mangalore, and a Senior Resident in Urology from November 2011 to March 2013 at Goa Medical College. He is the foremost consultant urologist in Mangalore, Karnataka. Dr. K N Sanman possesses a unique set of skills in the field of Urology, making significant contributions to both the department and the institute. Specializing in various aspects of Urology, the doctor's expertise includes proficiency in LASER procedures such as RIRS (Retrograde Intrarenal Surgery) and Flexi URS (Flexible Ureteroscopy), as well as MiniPerc (Mini Percutaneous Nephrolithotomy). Additionally, the doctor excels in Uro-Oncology, performing complex procedures like Partial Nephrectomy and Radical Cystectomy. Furthermore, the doctor has a strong background in Infertility and Andrology, addressing reproductive health issues effectively. In terms of contributions to the department and institute, Dr. K N Sanman's commitment to education and skill development is commendable. Over the past five years, he has been actively organizing and conducting the Dr. AB Rao Memorial Intercollegiate Urology Quiz, fostering academic growth and knowledge sharing among students and professionals alike. Moreover, he has co-guided four dissertations for DNB (Diplomate of National Board) students and guided three additional DNB dissertations. Dr. K N Sanman's involvement in departmental activities is noteworthy, consistently participating in various initiatives that contribute to the overall advancement of the department. Serving as an internal appraiser for Formative assessment for DNB students demonstrates his commitment to ensuring the quality of education and training within the institute. Furthermore, he has served as a dissertation evaluator for Urology theses from other universities, further extending their expertise to a wider academic community. His extensive involvement in these educational initiatives showcases a desire to mentor and guide the next generation of urologists and researchers, making him the best Urology Doctor in Mangalore. Dr. K N Sanman has attended workshops and conferences spanning a wide range of urological topics and related disciplines, including robotic surgery, endourology, uro-oncology, and paediatric urology. His attendance at urological conferences and workshops across India, such as USICON, SZUSICON, and KUACON, reflects a commitment to networking and collaborating with peers and experts in the field. These experiences contribute to his comprehensive knowledge base and ability to deliver cutting-edge care to their patients.
