

DR. HARISH KV

Consultant – Internal Medicine

Qualification

MD | DM | MRCP (SCE – Gastroenterology & Hepatology)

Overview

Dr. Harish K V is a general physician in Bangalore with over 25+ years of experience in internal medicine. He is currently practising as a Consultant – Internal Medicine at Manipal Hospital Millers Road, Bangalore. Dr. Harish is widely recognised for his clinical expertise in managing complex medical conditions, including diabetes, hypertension, and cardiac-related ailments. His dedicated, patient-centric approach and meticulous diagnostic skills make him a trusted name in the field of internal medicine and clinical cardiology. Dr. Harish completed his MBBS from JJM Medical College, Davangere (Mysore University), followed by an MD in General Medicine from Dr. B.R. Ambedkar Medical College, Bangalore (Rajiv Gandhi University of Health Sciences). With a deep interest in cardiology, Dr. Harish further specialised in clinical cardiology during his tenure at the Manipal Heart Foundation and also served as a cardiologist. His dissertation on “Relevance of Upper G.I. Endoscopy in Patients with Diabetes Mellitus” was recognised by the university, reflecting his academic inclination and clinical research experience. Throughout his distinguished career, Dr. Harish has held key consultant roles across several leading healthcare institutions, including his longstanding association with Manipal Hospitals. He has also served in teaching positions, progressing from tutor to Head of Department across reputed medical colleges such as St. Peter’s Medical College, Vydehi Medical College, and Raja Rajeshwari Medical College. His academic contributions, combined with his hands-on clinical practice, underscore his comprehensive approach to medicine. In addition to his hospital-based roles, Dr. Harish is actively involved in community health initiatives. He has led numerous corporate wellness programmes and rural health camps focusing on lifestyle disease screening and vaccination. Dr. Harish is a member of several medical societies, including the Cardiological Society of India and the Hypertension Society of India. His skill set includes strong clinical judgement, effective communication, and the ability to handle high-pressure scenarios with balanced decision-making. His passion for teaching, research, and patient care has consistently contributed to the betterment of both clinical outcomes and medical education. Dr. Harish is fluent in multiple languages, including English, Kannada, Hindi, Tamil, Telugu, and Kodava (Coorg language), which allows him to connect with his patients and guide them medically at their convenience.
