

## DR. SAYAN CHAKRABORTY

Chairperson of Hospital Infection, Prevention and Control Committee and Consultant Infectious Diseases Specialist

### Qualification

MBBS | MD (Tropical Medicine) | DM (Infectious Diseases) (AIIMS, New Delhi) - Gold Medallist

### Overview

Dr. Sayan Chakraborty is a renowned consultant in the Department of Infectious Diseases at Manipal Hospitals, Mukundapur, Kolkata. With 14 years of overall experience, including 7 years as a specialist, Dr. Chakraborty has established himself as a trusted expert in the diagnosis, treatment, and prevention of a broad spectrum of infectious diseases. Dr. Chakraborty completed his MBBS from NRS Medical College and Hospital, Kolkata, followed by an MD in Tropical Medicine from the historic Calcutta School of Tropical Medicine, with a coveted Gold medal. Further honing his expertise, Dr. Chakraborty earned a DM in Infectious Diseases from the prestigious All India Institute of Medical Sciences (AIIMS), New Delhi. As a proud alumnus, he has received multiple accolades for his extensive knowledge and pleasant demeanour. Dr. Chakraborty specialises in treating a range of infectious diseases affecting vital organs, including the brain, heart, lungs, liver, and kidneys. He has a particular interest in adult immunisation, travel medicine, systemic fungal infections, tuberculosis, sexually transmitted infections such as HIV/AIDS, hepatitis B and C, and transplant-related infectious diseases. Additionally, he is dedicated to hospital infection prevention and control. Dr. Chakraborty also serves as the in-charge of the Antimicrobial Stewardship Programme, playing a crucial role in promoting the responsible use of antimicrobials to combat antimicrobial resistance. Moreover, he specialises in preventing and treating infections involving transplant recipients, as well as providing personalised vaccinations for adults and travellers to minimise health risks associated with specific destinations. Additionally, Dr. Chakraborty's commitment to excellence in Infectious Diseases is reflected in his association with prestigious organisations such as the Infectious Disease Society of America (IDSA), the Clinical Infectious Diseases Society of India (CIDS), the Society of Tropical Medicine and Infectious Diseases in India (STMIDI), and the International Society for Human and Animal Mycology (ISHAM). His exceptional dedication to patient care has earned him notable recognitions, including a gold medal and securing All India Rank 1 in the AIIMS DM/MCh entrance examination. Proficient in English, Bengali, and Hindi, Dr. Chakraborty fosters clear communication with his patients, building trust and ensuring a thorough understanding of their concerns. Beyond his clinical expertise, he has significantly contributed to the medical community through numerous publications in renowned national and international journals. Moreover, as an infectious disease specialist in Kolkata, his commitment to advancing medical knowledge is reflected in his active participation in guideline development groups and his role as a speaker at various conferences for academic teaching. Combining extensive knowledge, exceptional clinical skills, and a patient-centric approach, Dr. Chakraborty exemplifies excellence in Infectious Diseases, striving to enhance patient outcomes and overall well-being.
