

DR. RAJIV SINHA

Visiting Consultant - Paediatric Nephrologist

Qualification

MBBS | MD | CCT (Paediatric Nephrology, UK) | Fellowship Paediatric Nephrology (Canada)

Overview

Dr. Rajiv Sinha is a well-known Paediatric Nephrologist at Manipal Hospitals, Mukundapur, with over 20 years of experience. He completed his MBBS and MD in Paediatrics from the University of Calcutta. His passion for Paediatric Nephrology led him to pursue a Fellowship in Paediatric Nephrology in Canada and earn a Certificate of Completion of Training in Paediatric Nephrology (CCT) from the UK. Dr. Sinha specialises in diagnosing and treating kidney-related diseases in children. His special areas of interest include acute and chronic kidney diseases, nephrotic syndrome, haematuria, and proteinuria. He is proficient in Nephrogenetics, Renal Replacement Surgery, and Paediatric Kidney Transplantation. His diagnostic accuracy and empathetic approach make him renowned in his field. Besides his clinical skills, Dr. Sinha is a member of the National Academy of Medical Sciences (MNAMS). He is also a fellow of prestigious organisations, such as the Royal College of Paediatrics and Child Health, UK (FRCPC), the Indian Academy of Paediatrics, India (FIAP), and the International Society of Nephrology (FISN). He is an honorary member of the National Board of Medicine and a mentor and educational ambassador of the International Society of Nephrology. Dr. Sinha is also the examiner for the Royal College of Paediatrics and Child Health, UK. A pioneer in Paediatric Nephrology, Dr. Sinha has played a key role in establishing the first academic Paediatric Nephrology unit and initiating the first training programme in Paediatric Nephrology in Eastern India. His contributions to the field of Paediatric Nephrology are truly remarkable. Dr. Sinha has over 150 national and international publications in peer-reviewed journals. He actively participates in multi-centre studies and has received grants from several international nephrology societies, including the European Society of Paediatric Nephrology, the International Society of Nephrology, and the American Society of Transplantation. Dr. Sinha is frequently invited as a guest speaker at several scientific meetings, CMEs, and conferences, and has contributed book chapters in various popular books for postgraduate and undergraduate medical students. Dr. Sinha's patient-centric and approachable demeanour creates a comfortable environment for patients to discuss their health concerns, making him the best Paediatric Nephrologist in Mukundapur. He actively meets his patients and counsels parents on their children's condition. Dr. Sinha also addresses the condition effectively and empathetically, providing a ray of hope for them.
