

DR. SUBHASIS SAHA

Consultant - Pediatric Surgeon

Qualification

MBBS | MS (General Surgery) | MCh (Paediatric Surgery) | DNB (Paediatric Surgery)

Overview

Dr. Subhasis Saha is an eminent paediatric surgeon in the Department of Paediatric Surgery at Manipal Hospitals, Mukundapur, Kolkata, with an overall 29 years of experience, including 20 years as a specialist in the field. Dr. Saha graduated with a Bachelor of Medicine and Bachelor of Surgery (MBBS), and later obtained a Master of Surgery (MS) in General Surgery, from the University of Calcutta. He subsequently pursued a Master of Chirurgiae (MCh) in Paediatric Surgery and a Diplomate of National Board (DNB) in Paediatric Surgery. Dr. Saha's commitment to the field of paediatrics has also fostered him in acquiring a fellowship in the Society of Paediatric Urology. He is the foremost Paediatric Surgeon in Mukundapur, Kolkata. Dr. Saha's expertise extends to the areas of Paediatric General Surgery, Neonatal Surgery, Paediatric Thoracic Surgery, Paediatric Urology, Hypospadias Surgery, Paediatric Urology, Paediatric Plastic Surgery, Reconstructive Surgery, Paediatric Endourology, Paediatric Laparoscopic and Thoracoscopic Surgery, and Paediatric Urodynamic Services. His adeptness and profound wisdom in the domain, along with efficient surgical outcomes have aided him in providing compassionate care to paediatric patients. Dr. Saha's impeccable work has been recognised by various organisations, being a notable member of various prestigious societies in the domain of both paediatrics and surgery. He is a member of the Indian Academy of Paediatrics (IAP), Indian Medical Association (IMA), Association of Surgeons of India (ASI), Paediatric Endoscopic surgeons group of India (PESI), Societies for Paediatric Urology (SPU), Research and Innovation Paediatric Surgical Society (RIPSS), the Indian Association of Gastrointestinal Endo Surgeons (IAEGS), Association of Minimal Access Surgeons of India (AMASI) and Indian Association of Pediatric Surgeons (IAPS). His immense expertise has propelled him into endless networks and collaborations, allowing him to publish several research papers in many national and international journals. Dr. Saha's linguistic proficiency includes English, Hindi, Bengali, and Odia. Dr. Saha's commitment and empathy for paediatric patients make him an exceptional medical professional in the domain of paediatric surgery.
