

DR. ARGHYA CHATTOPADHYAY

Consultant - Rheumatology

Qualification

M.B.B.S | M.D (Medicine) | D.M. Clin. Immunology & Rheumatology (PGI Chandigarh)

Overview

Dr. Arghya Chattopadhyay is the Best Rheumatologist in Mukundapur, Kolkata at the Department of Rheumatology, with an overall career spanning 16 years in the field, inclusive of 3 years of dedicated service to the specialisation. He brings forth a wealth of knowledge and experience to the forefront of patient care at Manipal Hospitals, Mukundapur, Kolkata. After completing his medical degree, Dr. Chattopadhyay pursued a Doctor of Medicine (MD) in General Medicine, followed by a Doctorate of Medicine (DM) in Clinical Immunology and Rheumatology from one of the most prestigious institutions in India, PGIMER Chandigarh. Dr. Chattopadhyay, the best Rheumatologist in Mukundapur specialises in the areas addressing various autoimmune rheumatological conditions such as SLE/lupus, rheumatoid arthritis, scleroderma, Sjogren syndrome, ankylosing spondylitis, myositis, and vasculitis. His proficiency also extends to treating rare primary immune deficiency, and autoinflammatory syndromes. His immense expertise in the field has fostered him in exploring innovative approaches and cutting-edge techniques in the field. Dr. Chattopadhyay's steadfast commitment to providing high-end treatment for his patients reflects his empathetic nature and dedication. Beyond his expertise in medical care, Dr. Chattopadhyay has contributed extensively to the research field. His associations with prestigious societies, which include the Indian Rheumatology Association (IRA), the Associations of Physicians of India (API), the Indian Academy of Clinical Medicine (IACM), and the Indian Society for Bone and Mineral Research (ISBMR), highlights his acumen in the domain. Furthermore, Dr. Chattopadhyay's collaboration with eminent researchers has aided him in publishing several papers in distinguished journals, earning him immense praise and appreciation for his contributions. Dr. Chattopadhyay stands as a beacon of excellence in the domain of Rheumatology. His multilingual proficiency includes in the languages of English, Hindi, and Bengali. His linguistic expertise, coupled with his commitment and diligence prompts an environment of healthy doctor-patient relationship. Moreover, he encourages patients to actively participate in their care by facilitating clear and transparent conversation, establishing a sense of trust and teamwork that is essential to getting the best possible treatment outcomes.
