MBBS Bangalore Medical, College; Bangalore University | MCh (Neuro) National Institute of Mental Health and Neurosciences (NIMHANS) | MRCS (England) Royal College of Surgeons of England | Fellowship in Interventional Neuroradiology, University Hospital, Switzerland

Overview

Dr. Maqsood Ahmed A R is a highly skilled and experienced Senior Consultant in Neurosurgery at Manipal Hospitals, Mysore. Dr. Maqsood is one of the best neurosurgeons in Mysore. He has done a Master of Chiropractic (MCh) in Neurosurgery from the prominent National Institute of Mental Health and Neurosciences (NIMHANS). Throughout his career, Dr. Maqsood Ahmed A R has been recognised for his academic achievements and invited to present posters and papers at various national events across India. His research publications have appeared in esteemed journals, covering colloid cysts in children, management dilemmas in traumatic Atlanta occipital dislocations, and extradural epidermoids in the posterior fossa. As a senior consultant at Manipal Hospitals, Mysore, Dr. Maqsood Ahmed A R specialises in complex surgical procedures that involve the brain, spine, and nervous system. His expertise extends to neurovascular disorders, brain tumours, spinal cord injuries, and degenerative spine conditions. He is proficient in open and minimally invasive surgical techniques, ensuring optimal patient outcomes. He has also continually advanced his area of professional specialisation. Dr. Maqsood Ahmed A. R.'s expertise spans more than 15 years, during which neurosurgery has dramatically advanced. Dr. Maqsood Ahmed A R is renowned for his exceptional skills and expertise in neurosurgery. Dr. Maqsood Ahmed A R's dedication to excellence is evident in his extensive involvement in research and academic activities. He has presented multiple research papers and posters at national conferences, sharing his insights and contributing to the advancement of neurosurgery. His publications in esteemed journals reflect his commitment to expanding medical knowledge and improving patient care. He has also contributed to medical publications and shared his expertise on managing back and neck pain in "THE RIGHT DOSE Series" in THE WEEK. No wonder he is considered the best neurosurgeon in Mysore. Dr. Maqsood Ahmed A R offers his patients thorough and kind care thanks to his significant training and expertise. He is a trusted and acknowledged authority in the area because of his passion for neurosurgery, dedication to continuous research, and mastery of complicated medical ideas. Dr. Maqsood Ahmed A R provides patients with specialised advice and tailored treatment choices in neurosurgery. Dr. Maqsood Ahmed A R has actively participated in conferences and has presented papers on various subjects, including third ventricular colloid cysts and cerebrovascular surgery. His fluency in English, Kannada, Hindi, and Arabic allows him to interact with patients of many backgrounds efficiently. He listens to their issues, understands them, and creates a treatment strategy that is unique to them and meets their requirements. His capacity to effectively and sympathetically convey complex medical information makes patients and their families feel at ease throughout therapy. Dr. Maqsood Ahmed A R's dedication to his profession extends beyond the hospital walls. He actively engages in public awareness campaigns and health education initiatives, aiming to promote neurological well-being in the community. His commitment to patient advocacy and his involvement in medical publications further exemplify his passion for advancing the field of neurosurgery. With his steadfast dedication to providing the best treatment possible & vast experience, he is one of the most in-demand neurosurgeons in the area.
