

## DR. SOMNATH MITRA

Consultant - Internal Medicine

### Qualification

MBBS | MD (Internal Medicine) - SCB Medical College, Cuttack

### Overview

Dr. Somnath Mitra is a well-known expert in the field of internal medicine consultant in Bangalore, currently associated with Manipal Hospitals, Old Airport Road. He has vast experience working as a hospital consultant and is also responsible for imparting his knowledge to the upcoming doctors as teaching faculty in hospitals across India. He has worked in several super-speciality hospitals in the line of internal medicine and has a good reputation when it comes to treating patients with lifestyle disorders. With his vast experience, he is known to take up complex medical cases, treat his patients with an accurate diagnosis and prognosis, and treat his patients with empathy. Dr. Somnath Mitra completed his MBBS and MD in General Medicine from Sriram Chandra Bhanj Medical College in Cuttack, Orissa. He specialises in chest disorders, internal medicine, diabetes, hypertension, infectious diseases, and thyroid disorders. Fluent in English, Bengali, Oriya, Kannada, and Hindi, Dr. Somnath Mitra treats patients with a comfort level that helps provide tertiary care and the perfect line of treatment to cure their disorders. With over two decades of experience as a consultant, Dr. Somnath Mitra has specialised in diabetes, hypertension, and thyroid. He has worked as a Consultant, Internal Medicine at Manipal Hospital for over 11 years. A general physician can also diagnose an issue and pass the patient on to the correct line of treatment if necessary. Dr. Mitra is a foremost internal medicine specialist in Old Airport Road, Bangalore. Dr. Somnath Mitra is a Life Member of the Association of Physicians of India (API) and is a member of the Orissa chapter, Jharkhand chapter, and Karnataka chapter. With his association with the governing body, he has established several networks that help in his field of work. As an API member, he knows the current trends and updates that will help him in his teaching career. Dr. Somnath Mitra has several awards, achievements, and accolades to his credit. He has been a post-graduate teacher at several medical colleges for over 25 years. He has also presented several scientific papers and case studies at CME and regional conferences, which have been reviewed and lauded for their content. His writings and articles have been featured in several national and international medical journals. Dr. Somath Mitra has also been the chair of many scientific sessions held at the state and national levels. Dr. Somath Mitra has also been the Treasurer ( executive body member) from 1995-2002 in the Jamshedpur Chapter of the Association of Physicians of India.
