

DR. BHASKAR SHENOY

Consultant - Paediatrics

Qualification

MBBS | MD (Paed) | FRCPCH (UK)

Overview

Dr. Bhaskar Shenoy is a highly experienced HOD & Consultant - Paediatrics and Consultant - Pediatric Infectious Diseases at Manipal Hospital Old Airport Road, Bangalore with impressive qualifications and an extensive professional background. As a paediatrician in Bangalore, Dr. Bhaskar Shenoy holds great expertise in the fields of General Paediatrics, Paediatric Infectious Disease, Vaccinology, Immunization, and Kawasaki Disease. He has undergone specialized training through courses offered by the European Society of Pediatric Infectious Diseases (ESPID) and the World Health Organization (WHO). He is the foremost Paediatrician in Bangalore. Dr. Bhaskar Shenoy earned his MBBS from Mysore Medical College, followed by an MD in Paediatrics from Karnataka Medical College. Further enhancing his expertise, he obtained a Diploma in Infectious Diseases from New South Wales University and Apollo Medvarsity, as well as a Certificate in Infection Control. His academic achievements culminated with the prestigious Fellowship of the Royal College of Pediatrics and Child Health (FRCPCH) in the UK. In addition to his clinical practice, Dr. Shenoy has made substantial contributions to medical education. He served as an Associate Professor of Pediatrics for 8 years at Dr. BR Ambedkar Medical College, Bangalore. He has also been a faculty member in the DNB teaching program for 15 years. He also coordinated the IAP ID Fellowship Program for a decade, showcasing his commitment to mentoring future paediatricians and infectious disease specialists. Dr. Shenoy's role in immunisation activities is noteworthy, having been a member of the Advisory Committee on Vaccination & Immunization Practices (ACVIP) and the convener of the immunisation advisory committee of the Karnataka State IAP. Moreover, Dr. Bhaskar's scholarly contributions include a vast array of important publications in reputable journals. He has also authored and edited several books on paediatric infectious diseases, infection control, and evidence-based paediatrics, further cementing his influence in the field. Dr. Shenoy has been honoured with several awards and orations, including the Dr. P C Bopaiah Endowment Oration by IAP Bangalore and the Dronacharya Award for CME Excellence. He was also the recipient of the Bill Melinda Gates Travel Award in 2023 and the First Best Case Rounds Award in 2022 by ESPID, reflecting his exceptional contributions to paediatric infectious diseases.
