

## DR. NAVDEEP KAUR

Senior Consultant Dermatology & Cosmetology

### Qualification

MBBS | MD

### Overview

Dr. Navdeep Kaur has more than 14 years of experience in the field of Dermatology & Cosmetology. Her areas of expertise include Clinical Dermatology, Cosmetic and Aesthetic Dermatology and Laser Dermatology. She specialises in the diagnosis and treatment of disorders of the skin, hair, and nails. Dr. Navdeep is currently working as a Senior Consultant at the Department of Dermatology & Cosmetology at Manipal Hospitals Patiala. She is one of the finest skin doctors in Patiala, known for her skills and vast experience. She has successfully performed many complex surgeries. Dr. Navdeep ensures that her patients are aware of every aspect of the treatment that they are seeking before undergoing the knife. In case, the patients don't have enough information or queries regarding the procedure, she educates and counsels them so that they make an informed decision. Dr. Navdeep is fluent in Hindi, English and Punjabi. She believes that communication with the patient is very sacred and it must happen transparently in a secure environment. Dr. Navdeep maintains the confidentiality of patients' data and based on the communication, she offers a customised treatment plan. She is an active listener and she believes in and adheres to the vision of Manipal Hospital which is clinical excellence, patient-centricity and ethical practices. All this is reflected in her professional and compassionate conduct. Dr. Navdeep has garnered positive reviews from her patients. In addition to offering optimum care and customised treatment, Dr. Navdeep actively participates in seminars dedicated to the developments in the field of dermatology. In addition to this, she also participates in various initiatives taken by the hospital to spread awareness about skincare and related skin problems. Dr. Navdeep always stays abreast with the latest developments and is always keen on modifying her treatment approach if it improves the overall experience of her patients.
