

DR. PANKAJ KUMAR GARG

Consultant - General Laparoscopic & Bariatric Surgery

Qualification

MBBS | MS

Overview

Dr. Pankaj Kumar Garg is a graduate of Dr. S N. Medical College Jodhpur. He did his post-graduation in General Surgery from Govt. Medical College Patiala. Dr. Pankaj did his fellowship in Bariatric Surgery and Minimal access surgery from Maulana Azad Medical College New Delhi under the guidance of world-renowned laparoscopic and bariatric Surgeon Dr. Pawaninder Lal. Dr. Pankaj Garg is a member of the International College of Laparoscopic Surgeons (MCLS). Dr. Pankaj Kumar Garg has worked with ESI- PGIMSR New Delhi, Maulana Azad Medical College New Delhi, and Asian Institute of Medical Sciences Faridabad, Haryana. His areas of expertise are Bariatric & Metabolic Surgery. All advanced laparoscopic surgeries including G.I. Surgeries & Laser Surgeries. He is a talented and compassionate individual, skilled in performing a variety of weight-loss procedures, including gastric bypass, gastric sleeve, and gastric banding surgeries. His expertise and surgical skills have helped patients achieve their weight loss goals and improve their overall health. He conducts thorough patient consultations to assess their eligibility for bariatric surgery, performs pre-operative evaluations, and discusses potential risks and benefits of bariatric surgery with patients, ensuring they have a clear understanding of the procedure. Dr. Pankaj Kumar Garg is known as the top bariatric surgeon in Patiala for developing personalised treatment plans tailored to each patient's unique needs and goals. He collaborates with multidisciplinary teams, including dietitians, psychologists, and nurses, to provide comprehensive patient care. Dr. Pankaj Kumar Garg also educates patients on lifestyle changes necessary for long-term weight management success. He actively participates in seminars and conferences that are dedicated to the advancements in general laparoscopic and bariatric surgery. Dr. Pankaj Kumar Garg is also renowned for his contribution to the academic domain through his case study on blunt trauma. Being one of the highly skilled, educated and experienced bariatric surgeons in Patiala, Dr. Pankaj Kumar Garg has appeared on various media platforms to disseminate medically accurate information on topics related to weight management, and bariatric surgery.
